**Subject:** Bell Front French Horns

Bruce,

Permian High School has 16 bell front french horns that they no longer use. These horns were purchased in 1982.

I had the horns appraised at approximately \$300-\$400 depending on the condition of the horn. Paris High School in Paris, TX would like to purchase the horns.

Band director Mike Watts and I agree to sell the horns pending school board approval.

Thanks,

Randy Talley

Re: King Marching Instruments

The appraised value of the used King marching instruments owned by Ector County ISD, Permian High School is between \$300.00 to \$400.00 each. The price varies based on condition of each individual instrument.
