Division: Superintendent

Subject: Public Hearing Targeted Improvement Plans

Background Information:

- The Texas Education Agency (TEA) requires each district to conduct a public hearing regarding campus Targeted Improvement plans.
- Rockbrook ES, Huffines MS, Lakeview MS, and Lewisville HS are required to create Targeted Improvement plans due to state accountability ratings.
- Additional information about each campuses turnaround plan is located at <https://www.lisd.net/resources/families/school-improvement>
- Staff presented initial information regarding these campus Targeted Improvement plans during the November 10th Board Meeting and updated information was shared during the February 2nd Board Work Session.
- Additional information regarding school improvement is located at: <https://tea.texas.gov/student-assessment/monitoring-and-interventions/school-improvement>

Administrative Consideration:

- The Board will be asked to take action on these Targeted Improvement plans at the Board Meeting at the March 9, 2026 Board Meeting.
