

# FCS Behavior Data

---

RYAN STICKA, ASSOCIATE PRINCIPAL

OCTOBER 2016

# Context

---

Behavior Flowchart (PBIS committee and admin)

Minor v. Major

Classified and Certified trained during in-service week

All Certified meet with admin 2x year to discuss, support

Preventative based (PBIS)

Reaching out to parents/guardians on the positives

Staff more understanding that referrals are required but will not necessarily change student behavior

Trauma Sensitive Schools/De-escalation training, Oct 16

# Celebrations!

---

82.5% of K-8 FCS students have not received a major behavior referral this school year.

90% of K-8 FCS students have received 0-1 major behavior referrals this school year.

No grade 1 students received a major referral this school year until Mid-October.
