-Congratulations to Mrs. Mathis' class for winning Dilly Bars for the best attendance at Lincoln School during December (98%). Lincoln School had 95.1% attendance for the month of December.

-Third grade classrooms held late December events such as gingerbread house building and hot cocoa with families. It was wonderful to host the families and a good time was had by all!

-The 4th graders had an Ugly Christmas Sweater Competition where they designed sweaters on paper (uglier the better), and then their peers voted on various categories to crown them "winners".

-The 5th graders hosted a gift exchange for each student in the grade. Students appreciated and enjoyed receiving a small gift from one of their peers.

-Lincoln School has submitted the CKH National Showcase School application for the 2023-2024 school year. We will learn the results of the submission in the coming months!

-STEM with Kim: Lincoln School is participating in the ROE #3 Science Olympiad this February. Ms. Hahnenkamp has spearheaded the 15 student effort with weekly practices in preparation for the event. We are excited to see our students participate!
