## Have you Registered for Parent Square and Downloaded the App?

Earlier this school year we launched [Parent Square](#), our new communications platform. Parent Square is how you will receive important information from the school and District, **including urgent alerts**. If you have not registered yet, please check your email for an invitation link or go to [parentsquare.com/signin](https://parentsquare.com/signin) and verify your contact information. If you are registered but not receiving messages, please check your [notification preferences](#) or spam filter. Directions for setting your notification preferences for browser and app versions are below. Your options include text, push notifications and email, instant or digest mode.

**If you have a child that is participating in sports, Parent Square is how coaches are communicating important information including changes to schedules. Middle and High School students can also stay connected with coaches by receiving messages on their TRSD email or by registering and downloading the Student Square app to their personal smart device.**

To learn how to use Parent Square [click here for an informational video](#) You can also access on-demand training including step by step instructions **once you are registered** by [clicking here](#)

If you have any issues with your Parent Square registration or setting your notification preferences please contact Wendy Giordano at [wendy.giordano@threerivers.k12.or.us](mailto:wendy.giordano@threerivers.k12.or.us)
