All campuses are moving smoothly. I haven't heard of any major issues with students, staff, or within the community.

NYO (Native Youth Olympics) was held in Thorne Bay. It was a great day for all who attended and participated.

NASP Archery finals were held in Thorne Bay. Many students participated and a great time was had by all.

Teachers and Paras attended inservice on Mar 10, 2023 , in Naukati. It was a very successful and productive day of learning and team building. (I AM, WE ARE!)

I have many ASC meetings this coming week. We are moving into the last 40 days of the 2022-2023 school year. The calendar for 2023-2024 is being voted on.

I have reviewed all campus budgets to see where we are financially. At the moment, all campuses are within their budgets. Deidre and I have set a final date of ordering supplies for the year. This includes any and all travel for the end of the year.

Teachers are preparing for testing dates that are coming up. Lead Teachers will be meeting on March 24.

Seniors are planning a senior trip.

Thank you all for all you do and I am looking forward to a strong finish for the year.
