4 Policy Name: *Cell Phones and Other Electronic Equipment*

5 Regulation: -----

6  
7 Student possession and use of cellular phones, **pag**ers, and other electronic signaling devices on school  
8 grounds, at school-sponsored activities, and while under the supervision and control of District employees  
9 is a privilege which will be permitted only under the circumstances described herein. At no time will any  
10 student operate a cell phone or other electronic device with video capabilities in a locker room, bathroom,  
11 or other location including extracurricular activities, where such operation may violate the privacy right  
12 of another person.

13  
14 Students, k-12, may use cellular phones, **pag**ers, and other electronic signaling devices on campus before  
15 school begins and after school ends. Only students, grades 9-12, may use such devices during the lunch  
16 period. Unauthorized use of such devices disrupts the instructional program and distracts from the  
17 learning environment. Therefore, unauthorized use is grounds for confiscation of the device by school  
18 officials, including classroom teachers. Confiscated devices will be returned to the parent or guardian.  
19 Repeated unauthorized use of such devices will result in disciplinary action.
