

## LAKE AND PENINSULA SCHOOL DISTRICT/SERIES 1000- COMMUNITY RELATIONS

### Volunteer Assistance

BP 1250

The wealth of experience available in the community is a resource that should be used in appropriate ways to enrich the educational program and strengthen our schools' relationship with homes, businesses, public agencies and private institutions. By their presence, volunteers also can make school environments safer and more closely supervised. The School Board recognizes that volunteer assistance in schools can enrich the educational program, increase supervision of students, and contribute to school safety while strengthening the schools' relationships with the community. The School Board encourages parents/guardians and other members of the community to share their time, knowledge and abilities with our students.

The Superintendent or designee may authorize the use of volunteers. The Superintendent or designee shall establish regulations to protect the safety of both students and volunteers.

Note: The following optional paragraph is offered for districts that wish to provide students the greatest possible protection, and should be revised or deleted based on the district's needs and ability to implement this policy.

All persons who wish to volunteer service with or around students must undergo a background check.

Like employees and students, volunteers shall act in accordance with district policies and regulations.
