

Strategic Planning

- A. The School Board's Annual Agenda schedules school board governance education in July or August. Possible presentations/topics include a futurist, demographer, technology, advocacy groups, staff, MSBA, etc. It would be appropriate for the board to select a topic so that arrangements can be made for the August or September meeting. Topics in the past have been: Policy Governance (twice), Goal Setting, High School Electives/Scheduling, a Discussion of Board-Superintendent Responsibilities based on a survey completed by the board and superintendent, a Review of When Various Debt Levies Expire, and an Overview of the High School Redesign Process.
- B. Attached are "Stakeholder Input by EO", "All Input 2018", and "Board Goals History and Results". **I recommend the school board start to develop goals in consideration of the stakeholder input.** Last year several board members expressed interest in setting two-year goals beginning this year.
