The Office of the Governor Public Safety Office extended grant opportunities to promote public safety, reduce crime, and improve the criminal justice system. SBISD was allowed to submit two grant proposals in this competition, under law enforcement. There is no match requirement for the grant applications.

SBISD's two requested grant applications are as follows:

1. Fifteen portable radios
2. Rubber flooring, weight lifting equipment and boxing equipment to create an officer wellness program. The project includes the creation of a mini-gym at the police substation so that officers can learn and practice weight lifting and non-contact boxing.

Each grant application requires a Board resolution in a format provided by the State of Texas Public Safety Office.
