DATE OF MEETING: August 8, 2017

TITLE: Study of Proposed Revisions to Governing Board Policy and Regulation EEAG and EEAG-R (Student Transportation in Private Vehicles) and Policy EEB (Business and Personnel Transportation Services)

BACKGROUND:

The Arizona School Boards Association have recommended revisions to current policies to clarify language and to address changes in the law. Policies presented for the Board's study this evening are:

Policy EEAG, Policy Regulation EEAG-R (Student Transportation in Private Vehicles), and Policy EEB (Business and Personnel Transportation Services)

These documents have been modified to include language requiring that school district employees or Governing Board members, prior to any use of private vehicles to either embark on business/personnel transportation or to transport students, acknowledge that the employee or Governing Board Member's automobile insurance is the primary coverage and that proof of insurance must be given to the district prior to such transportation being initiated.

Each of these draft policy documents are attached to this Item for the Board's review.

RECOMMENDATION:

This item is presented for the Board's study at this time. The proposed policies will be brought back at a later date for the Board's approval.
