Content of any school assembly, number of students that can be accommodated, and amount of time necessary:	Presentations are lively, interactive events with a strong, real-life anti-drug message. Any size group can be accommodated. The message is adapted to the age range of the audience. Typical assemblies are 20 minutes for early elementary and 45 minutes for MS and HS. We are very flexible.	Anti-drug message with dog demo. Adapted for age appropriate undersanding. Typical assemblies are 30 minutes for elementary and 45 for MS and HS. We prefer grade-level groups at elementary. Can do classrooms to full student body in upper grades.	Typical assembly is 1 hour, approximately 100 kids
Additional information:	Presentations can also be made to teachers, staff, and parent groups.	We are a minority, woman-owned, HUB certified business.
