2026-2027 School Year

Currently working with the MEA on the 2026-2027 school calendar. This calendar will be a little different than what we have done the last couple of years. We will be starting the school year a little later than we usually do to accommodate the completion of the CTE addition and the Fieldhouse.

Scoreboard Sponsorships

As of today, the District has collected \$52,250 in scoreboard sponsorships. I would like to thank all of our sponsors for their continued support of MCHS. I would also like to thank Aubrey Knight for all of her hard work securing these sponsorships.

Drill Week

All of our safety drills were conducted between September 8 and September 12. All buildings conducted their 3 Fire (Evacuation) drills, a Tornado (Shelter in Place) drill, and a Law Enforcement drill.

Clear Armor

Last week Channahon Police organized a meeting with Clear Armor. Clear Armor manufactures and installs a protective window film that can serve in a number of ways to protect the occupants of a building. The product they presented was very intriguing especially in the wake of the Minneapolis Catholic School shooting. On October 10, 2025 Clear Armor will be conducting a demonstration of their product at the Grundy County Sheriff's Department shooting range.
