**August Board Report**

Napi Elementary's Leadership Team has been focused on developing plans to support our district's and school's 2023-2024 goals. Plans include preparing schedules, developing instructional tools, and readying the campus to greet staff and students on Aug 21, 2023 .

Thank you to Mr. Pree and Ms. DeRoche for all of the summer cleaning that they accomplished! Napi was one custodian down all summer and neither of these staff complained. They took on additional work to ensure the school is ready for when staff and students return!

Shout out to Napi's SBE and SLT teams for working over the summer to ensure that their colleagues and students have a smooth transition to a new school year!
