Key Understandings:

STAAR Data: 4 Performance Categories

Did Not Meet

- Students scoring in this category do not demonstrate a sufficient understanding of the assessed knowledge.

Approaches

- Indicates that students are likely to succeed in the next grade level with targeted academic intervention.

Meets

- Indicates that students have a high likelihood of success in the next grade level/course but may still need short-term, targeted academic intervention.

Masters

- Indicates that students are expected to succeed at the next grade level/course with little or no academic intervention.
