Dr. Andrew Wise

Center Cass School District 66

Dear Dr. Wise,

Please accept this letter as my formal resignation from my position as teacher at Center Cass School District 66, effective immediately. After a great deal of reflection, I have made the difficult decision to step away from my role so I can be home with my family during this season of our lives.

This decision comes with a heavy heart because this school family and community has meant the world to me. The relationships I have built with Center Cass students, families, and staff are ones I will always cherish and never forget. I am so grateful for all the love, support, kindness, and professional growth I have experienced with this district.

Although I need to prioritize my family at this time, please know that I am committed to making this transition as smooth as possible. I am happy to provide any materials or information needed to support the district moving forward.

Thank you for understanding and for the trust you have placed in me throughout the years. I will always look back on my time at Center Cass with deep gratitude and fondness.

Warmly,

Samantha Henry
