School Board Meeting Agenda Item

Topic: Student & School Showcase
Presenter(s): School Principals & Staff

Nature of Action Requested by Board

Board action
Board information or scheduled report

Background Information

The purpose of these showcases is to celebrate and highlight the happenings in our schools and district. Each week a member of the Leadership Team will highlight an activity, group or individual from our district.

The showcase for tonight's meeting is Flight Path.

Mick Wendland is the Flight Path Coordinator for the school district. He will be giving an update on the internships that students at the high school are participating in.

At this time there are 62 interns and roughly 50 different businesses across the Red Wing community area. Students are interested in a variety of different career field options and a variety of different levels of continuing education for after graduation.

Mick will share about some of the general placements, some takeaways from past students, and some experiences so far for this year's students. He'll be joined by Maranda Bade who is a senior interested in working with young children. She had an internship last year as a junior that led her to working with kids junction then and throughout the summer. This semester she is placed at a daycare, Colvill School, and Sunnyside Elementary.
