**Re:** Recognition of John Hall and Will County Workforce

On behalf of Joliet Township High School District 204, I would like to formally recognize and express our sincere appreciation for John Hall and the Workforce Services Division of Will County for their outstanding support and collaboration throughout the 2024-2025 school year.

Mr. Hall played a critical role in organizing and delivering impactful job fairs at both of our Community Connections events held this year. These events provided invaluable career exploration opportunities for students and families, and significantly contributed to our mission of preparing all students for post-secondary success. His leadership, commitment to community partnership, and dedication to serving the community of Joliet reflect the highest standards of public service.

We are grateful for the Workforce Services Division's continued partnership and commend John Hall for his unwavering support of our district's goals. His efforts have strengthened the bridge between education and employment, and we look forward to continuing this vital collaboration in the years ahead.

Please join me in publicly honoring Mr. Hall and the Workforce Services Division of Will County for their service to the students and families of JTHS 204.

Thank you,
