Title: Superintendent

Subject: Planning Grant from MSU-Bozeman and partner with their NSF Grant "NOYCE" for a Master Teacher Fellowship if funded.

Description: Proposal for NSF for STEM teacher support – Building Capacity to Develop STEM Teacher Leaders in Montana Rural and American Indian Schools. Will be working with our certified teachers if they receive the grant to provide \$10,000 per year for those accepted into the program. The certified teachers will be attending training/college/master's degree courses. For example, to allow teachers to attend AP biology, or educational workshops on how to motivate students to learn; increasing their pedagogy. With the goal to retain great teachers – possible cohort up to 5 years.

BPS commitment would involve completing one survey, participating in one meeting, and reviewing the submitted project materials in early summer 2023.
