

# Florida STEM in Motion Sample Itinerary

## DAY 1

---

Arrive in **Orlando, FL**

**Epcot®** Explore as many attractions as you can!

**Future World A Vision For Tomorrow** – Students have the opportunity to visit exciting attractions such as Mission: Space, Test Track, Spaceship Earth, and many more.

**Mission: SPACE** Blast off in a space travel simulation where students experience the training required of astronauts and the challenges they must meet in deep space.

**Test Track** Speed around curves in a futuristic test car and learn how vehicle prototypes are evaluated at this automobile testing simulation. Students can also create their own concept vehicle and take it for a virtual test drive.

**Spaceship Earth Experience Project Tomorrow: Inventing Wonders of the Future** Explore and interact with new technologies and innovations from the worlds of medicine, transportation safety, and energy efficiency.

## DAY 2

---

Breakfast

**Wild Florida Conservation Up Close** Explore Florida's most unique ecosystem and gain a greater awareness of its endangered species. Students have the opportunity for up close encounters with different animals and the thrill of an airboat ride. Enjoy a BBQ Lunch at Wild Florida and then experience the Safari Park Drive-Thru. Travel down two miles of gravel paths and discover more than 100 native and exotic animals roaming freely. During your journey, you'll have the opportunity to observe a variety of animals often only found around the world. Enjoy identifying species from as far away as the African savanna to others from the deciduous forests of North America. Expanding across 85 acres of untouched scenic landscapes, our wildlife and safari park presents a unique opportunity to bring you up close and personal with wild animals such as giraffes, zebra, eland antelope, scimitar oryx, American bison, mouflon sheep, and more!

**Wonderworks™** Check out the more than 100 interactive exhibits that explore the answers to the unexplained in this wacky, zany science museum. Experience the technological complexities of space travel, medicine, forensic science, and more.

**WonderWorks™ Outta Control Dinner Show** Enjoy unlimited pizza and laugh the evening watching (and becoming a part of) the show!

## DAY 3

---

Breakfast

**Kennedy Space Center** Learn the incredible story of NASA's 30-year Space Shuttle Program at the **Space Shuttle Atlantis** exhibit. View this massive shuttle from different angles and see the wear and tear of its 33 missions.

**Interactive Launch Simulator** Discover the impact of space technology on inventions like Velcro and cell phones.

**Lunch with a Veteran Astronaut** Get the inside scoop on an astronaut's personal experiences with one of the most riveting professions.

**Saturn V Center at Kennedy Space Center** Board the bus for an Apollo/Saturn V Center tour where you will see a 363-foot moon rocket! Don't miss the Firing Room Theater which re-creates an Apollo launch and the Lunar Theater which depicts the first moon landing.

**Disney Springs** Unique shops and restaurants. Home to the largest Disney character store in the world. Students can dine and souvenir shop.

Return to hotel

## DAY 4

---

Breakfast

**Disney's Magic Kingdom®: YES Seminar** Participate in a Disney behind-the-scenes seminar (options vary based on day of the week). **Properties of Motion®** Go on major theme park attractions like *Big Thunder Mountain Railroad®*, *Space Mountain®*, and *Splash Mountain®* to explore the laws of physics and collect data. Become theme park scientists for a day as you apply the scientific method to explore acceleration, velocity, and potential and kinetic energy.

Lunch

After lunch group remains at *Magic Kingdom®* to experience and explore all of the shows and attractions.

Dinner
