Motion:

Panel Member	Vote	Reason/Comment
Phil Baldwin	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Batesville is an innovative School district that puts students first. The junior high school charter continues the innovation. I vote to approve.
Dr. Naccaman Williams	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Support the motion. The personalized pathways and career exploration will expose students to career opportunities earlier while also allowing students to be on track to take high school courses sooner.
Sonja Wright-McMurray	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support this application. The model offered will provide expanded opportunities for students to explore and engage in careers at an earlier age. This will be an asset to CTE, as students will more likely participate and persist in CTE
Karli Saracini	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the approval of this request for a District conversion charter. Excited to see the impact of this model on students in Jr. High by giving them the opportunities to explore and engage career pathways.
Dr. Eric Flowers	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Vote to approve this district conversion. I am excited about all of the student educational, career exploration, and leadership opportunities as you all work to address the need to grow your community work force.
