Re: 2024-25 Board Meeting Calendar Revision

Recommendation:

It is the recommendation of the Superintendent to approve changing the 2024-25 Board Meeting calendar to reschedule the June Board Meeting to Wednesday, June 18, 2025 at 7pm.

Background:

When creating the calendar, we didn't catch that the currently scheduled June board meeting is on Juneteenth and the district is closed. We are proposing moving the meeting 1 day forward to Wednesday, June 18, 2025 at 7pm.
