

IV. CONSENT AGENDA

G. E-2 Services Renewal

At the March 6, 2012 Board of Education Meeting, Board members were informed of the need to renew managed network services for the District. Also reviewed was the rationale for expanding the number of servers covered by this service and for continuing with the current provider. Included in Board members' packets is the background information on this topic. The total cost for the two year period July 1, 2012 through June 30, 2014 is \$94,686.
