On October 26, 2011, CISD hosted an Education Symposium. Community members were invited to attend and provide CISD staff members with input on the following key areas:

- 1) Communication
- 2) Schools of the Future
- 3) School Finance & Budget
- 4) Technology
- 5) Enrollment & School Facilities

Over 100 community members and staff participated in this event. An overview of the evening will be shared with the Board of Trustees.
