

## Clara Brownell Middle School

May 2025

We held conferences April 10-11, and we were joined by 96 of our families. We always appreciate the opportunity to get parents in our building, and I was pleased with all the smiles and positive conversations throughout the school.

During an assembly April 18, we recognized 119 students who earned a 3.5 or higher GPA for the 3rd quarter. These students competed in a live competition for an opportunity to raid the concession stand. It was a lot of fun and a great way to celebrate student achievement.

We are heading into the 2nd week of our spring MAP testing window. Just like winter testing, our students are taking their time and taking the tests seriously. We will finish up scheduled testing this week, with cleanup testing taking place the following week. Students and staff are eager to see our schoolwide results.

### Offenses by Type

On April 25, we hosted our home track event. We welcomed athletes, coaches, and families from Echo, Stanfield, Boardman, Lone, and Irrigon. We appreciate all the help from District staff who showed up to work the event; they were key in making our event run smoothly and efficiently.

We have a few athletes in good positions to qualify for the Meet of Champions, May 16, in Corvallis, and we have started planning on a sendoff for them.
