

UNITED INDEPENDENT SCHOOL DISTRICT INFORMATIONAL ITEM

TOPIC: Laredo College Summer Academy Overview

SUBMITTED BY: Mario Rosales, Director of Advanced Academics

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: August 22, 2018

INFORMATIONAL REPORT:

United ISD is excited to announce a great opportunity for high school students. The College Summer Academy is a program brought to United ISD students through a collaborative partnership with Laredo College (LC).

The program provides qualifying students to attend Laredo College (south and main location) at no charge and provides each participant with transportation to and from the campuses. Students ready to begin their collegiate careers can do so by enrolling in this program. This program affords students to get a jumpstart on required college core requirements while still in high school, become familiar with college level work, all while saving you money.

Two sessions will be provided to students. Classes run Monday through Thursday with sessions offered both in the morning (9:00-11:00 a.m.) and afternoon (1:00-3:00 p.m.).

Students can take up to 3 hours each summer session. Students who successfully complete courses offered through this program will receive college credit that can be applied towards their academic degree in Texas. They **will not receive high school credit** for these courses.

United ISD will provide students with bus transportation to and from the college. Students will be picked up at their high school campus and dropped off at LC South and Main Campus. Buses will run twice daily; morning at 8:00 a.m. and will return at 12:30 noon and in the afternoon at 12:00 noon and return at 4:00 p.m.

Students interested in participating must meet all eligibility requirements. They are:

- Be a current 9th, 10th, or 11th grade student
- Cumulative High School GPA 2.5
- Meet TSI Requirements in both Reading and Writing
- (R) 351, (W) 340 with a 4 on the essay, and/or (M) 350
- Evidence of vaccination against Bacterial Meningitis
