RE: Freedom of Information Act Request Response

Dear Mr. Meyer:

You submitted a Freedom of Information Act ("FOIA") request to the School District (the "District") on January 13, 2026. The District extended the time for its response pursuant to Section 3(e) of the FOIA. Your requests and the District's responses are below.

Request: Please provide complete and unredacted copies of the following records relating to burglar alarm, fire alarm, and closed-circuit television (CCTV) systems installed, monitored, maintained, inspected, serviced, or otherwise provided for facilities owned, leased, or operated by the public body:

1. All agreements, contracts, amendments, addenda, renewals, extensions, task orders, purchase orders, or memoranda of understanding concerning:

- Burglar / intrusion alarm systems
- Fire alarm and life-safety systems
- CCTV / video surveillance systems

This request includes, without limitation:

- Master service agreements and site-specific agreements
- Exhibits, schedules, scopes of work, pricing sheets, rate cards, and appendices
- Any documents incorporated by reference into such agreements

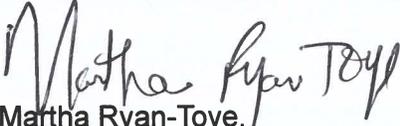

1. All invoices, billing statements, payment requests, or draw submissions associated with the above-referenced systems for the most recent full calendar year, including:

- Itemized invoices
- Supporting documentation submitted with invoices
- Payment approval or processing records, if maintained

Response: Enclosed are records responsive to your requests. I withheld records whose disclosure would compromise District security. The records are exempt pursuant to Section 7(1)(v) of the FOIA as a vulnerability assessment, security measure, or response policy or plan designed to identify, prevent, or respond to potential attacks on a community's population. 5 ILCS 140/7(1)(v). The withheld records included details on the specific security systems and equipment installed within the District, and are considered security measures. The disclosure of these records would place students and staff at risk. Finally, I redacted signatures that constitute personal information under the FOIA and may be redacted. 5 ILCS 140/7(1)(c).

If you believe that this response is an improper denial of your request, I invite you to discuss your objections with me. You have the right to have a denial or denials reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to: Public Access Counselor, Office of the Attorney General, 500 S. 2nd St., Springfield, IL 62701, Fax: 217-782-1396, E-mail: [public.access@ilag.gov](mailto:public.access@ilag.gov), Phone: 877-299-3642. If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days after the date of the denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original request for documents and the denial letter when filing a Request for Review with the PAC. You also have the right to seek judicial review of your denial by filing a lawsuit in the State circuit court. 5 ILCS 140/11.

Sincerely,

  
Dr. Martha Ryan-Toye,

Freedom of Information Act Officer
