Study Session/Special Meeting - Board of Education

Date: March 12, 2020

Agenda Item #4.A.

TOPIC: Approval of the Mahtomedi High School and Middle School Roofing/Steel Cladding Project Advertisement for Bids

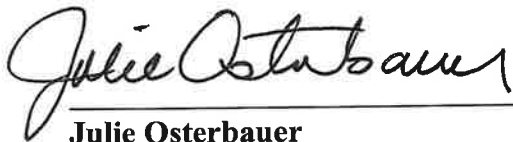

BACKGROUND: The Mahtomedi Middle School 2003 addition is experiencing water intrusion issues on the ramp hallway gymnasium wall and classroom. The Mahtomedi High School 1970 rooftop penthouses are also experiencing water intrusion issues through the brick face. Being school work is limited to the summer schedule (June, July and August) we are under pressure to bid out work while there are still labor hours available. Speeding up the advertisement/bid process by an extra week or two opens up our project to more contractors before their schedules are full for the summer.

PURPOSE OF PRESENTATION: Authorization to advertise for sealed bids in the White Bear Press for 2 weeks starting on March 18th and the District Website with bid openings at 2:00 PM, April 9th, 2020 at the District Education Center, 1520 Mahtomedi Avenue, Mahtomedi MN 55115

LEARNING OBJECTIVE: As a result of this presentation, the Board will have an understanding of the necessity to repair these areas to prevent further water intrusion problems.

ACTION RECOMMENDED: Approval
