

CONSIDERATION OF APPROVAL OF CONCUSSION OVERSIGHT TEAM (COT) FOR 2017-18

Action Item:

Each district must establish a Concussion Oversight Team, and this action item will allow for COT membership approval for this coming school year. As in the past, we still have an agreement with (GSMC) Good Shepherd Medical Center-Longview, who helps us comply with state law regarding concussions (prevention, information, diagnosis, treatment, etc.).

Recommendation:

I recommend the COT membership be amended as presented.

COT MEMBERS:

Dr. Charles Williams-GSMC
Doug Bloyd, Sports Medicine Coord. – GSMC
Matt Burke, Trainer
Debbie Hall, District Nurse & COT Administrator
Julie Morgan, JH Nurse
Brandy Musick, Elem/Primary Nurse
