

Montana Gear Up

November 10 – December 10, 2018

Dorrina Patacsil

Number of Activities: For most of the month I had to keep up on GEARS to make sure GEAR UP program GEARS was updated with our school numbers. Well Zach is no longer with GEAR UP and so the main office is trying to figure things out so it's a little crazy in the office. Working with Kristie and Alyx with Operation help Santa that's going good so far. We also went to the council meeting and a few other places helped us as well, but we are so close to being done. I've been helping around the building as needed some days we have been short of subs, so I've have been in the class and subbing I really enjoy the kids. I also helped with NAC it was what I thought a good turnout and great games.

Budget: None

Completed Task: Went to see Jaylynn, Jill, Leiani, and Aubrey and they are doing great they try to support each other down in Missoula.

Upcoming Task: Just trying to complete this Operation Help Santa gift giving.
