

Cafeteria Monthly Report April/May 2026

Happy Days of Summer!

With this being the last month of school the cafeteria is preparing for the summer break.

The cafeteria served 4,896 reimbursable breakfasts and 6,382 lunches during the month of April, for a grand total of 11,278 meals. We sold 1091 cookies, 591 bags of chips, and 589 ice creams. We also prepared 602 snacks for the students who were testing in elementary, junior high and high school during the April STAAR tests. We have also prepared meals to go for classes who had scheduled field trips. To say we have been BUSY would be an understatement.

We are minimizing our weekly food orders as closely as we can to ensure that there will be minimal food left in the freezers/refrigerators over the summer break.

I have been truly blessed to have worked alongside for the last 5 years with such hard-working and dedicated staff. On that note I would like to thank you for your support of the cafeteria. I will truly miss the 6:30 arrival time. (NOT)

The cafeteria is happy to announce the return of Brianne Henry as the new Food Service Manager for the 2026-2027 school year and beyond.

The cafeteria hopes to end May on a great note.

The new school year will be here before we know it, and to do it all over again!

Thank you,
Yolanda Rueda
Food Service Manager
