

School Board Meeting:

April 28, 2014

Subject:

Award Milk Bid

Presenter:

Gary Kawlewski

SUGGESTED SCHOOL BOARD ACTION:

Recommend award of milk bid to Dean Foods.

DESCRIPTION:

The milk bid was conducted following the March 24, 2014 Call For Bid. The bids were opened and read aloud on Thursday April 16, 2014 at 10:00 a.m. Two bids were received - Dean Foods and Kemps, and their representatives were present. Escalation clause bids, based on April 2014 Federal Milk Market Order #30, were submitted by both parties. The escalation formula used in the 2014-16 bids is the same differential that was used for the 2012-14 bids.

The bids were analyzed and the recommendation is to award to the low bid, Dean Foods. Dean Foods is the current vendor.
