

Students

Dress & Grooming

The community and general public often judge the quality of education by the behavior, appearance and activities of its student body. The results of one's dress, appearance and behavior generally go far beyond the individual student.

In general, attire and grooming of individual students in this school system are the responsibility of the students and their parents. There are, however, general principles of good taste and modesty which must and shall be observed.

Students' overall appearance should fall within the general accepted definitions of neatness and cleanliness. Generally, the students are expected to dress and groom themselves for the business of school so as to neither distract other students or teachers, disrupt the education process, or pose a health or safety threat to anyone. Clothing should be clean, untoned, free from promotion of, or reference to drugs, alcohol and tobacco, and offensive signs, symbols or words. Clothing should also be free of slogans, names, titles or the like which are defamatory toward person(s), the school or other organizations or which are likely to incite or inflame.

Students whose dress or grooming is judged by the staff to be distracting, disruptive or dangerous to personal safety will be subject to administrative action. Possession of electronic devices that are in violation of State law or which may be disruptive to the educational setting are prohibited except as allowed in Board Policy 5131.81.

The intent of this policy is to encourage all concerned to dress, groom and conduct themselves in keeping with an atmosphere which reflects a sensitivity to and respect for self and others and the overall functions of the school.
