Re: Bid Results for Frost Middle School Carpet Replacement

We would like to discuss the Frost Middle School carpet bid results with the Board of Education.

The carpet in the LMC and office at Frost Middle School is in need of replacement. The carpet is to a point where it is both unsightly and unsafe (trip hazard).

As part of our summer projects we would like to replace the carpet. We have completed bids on the project and we would recommend the lowest bid to meet specifications of \$25,273.98. This is a Sinking Fund project.

The bid results and recommendation from Ray Raymond, Operations Administrator are attached. Please include this item on the Building and Site Committee meeting agenda for April 30, 2012. Thank you.

Re: Frost Recommendation

After reviewing the bid proposals submitted on 2/22/2012 for the Carpet replacement project at Frost Middle School LMC. I am recommending that SCI Flooring be awarded the contract to perform the installation of the carpet. This recommendation is based on the price quoted for the total project including the alternates.

Questions regarding this recommendation feel free to contact me at ext. 42158
