Re: Update to Policy FFAF (Local)

SB 27 from the 82nd Legislative Session requires districts to adopt local policy that students with addresses food allergies who are at risk of anaphylaxis. Local school boards must adopt Policy FFAF (Local) by August 1, 2012.

General procedures include:

- Specialized training for employees responsible for the development, implementation and monitoring of the District's food allergy management plan.
- Training for employees.
- Strategies to reduce exposure to common food allergens.
- Methods of requesting information from a parent regarding child's food allergies.
- Annual review of the District's food allergy management plan.
