RE: Camera Systems for Buses

Attention: Crystal Tailfeathers, District Clerk

Browning Public Schools

P.O. Box 610

Browning, MT. 59417

Ms. Tailfeathers,

Thank you for the opportunity to help protect the students and staff of Browning Public Schools by offering the best school bus video camera solution on the market.

All required documentation outlined in Camera Bid has been included in the following packet. Within this response, you will find that our system specifications exceed the specifications requested.

By exceeding the expectations, Pro-Vision not only decreases the long-term expenditures of your district, but also ensures the success of our mission to maximize the value of every dollar spent with our company. We do that by providing our customers with dependable and easy-to-use safety solutions backed by the absolute best customer and technical support in the industry.

The Camera Bid packet has been read and reviewed and is fully understood. Pro-Vision will provide a full turn-key solution to the Knox County Schools, which includes new high-definition camera systems, required training and lifetime support.

The Pro-Vision Hybrid HD DVR (DVR-906) is capable of recording up to 8 channels of video all in TRUE 1080p video quality, and the 256GB SDXC card is more reliable than standard hard drives that require fans and heaters to function in the temperature environment common to Montana. The 256GB SDXC card provides storage of over 140 hours of run time or more than 4 average school weeks.

The internal cameras will include all the cabling and brackets to be mounted in the desired locations. The interior-mounted cameras meet your specification in that they provide a 180-degree horizontal field-of-view and a 90-degree vertical field-of-view. The Pro-Vision HD Dual-Lens Stop-Arm Camera will meet your specification in that it will provide a 90-degree horizontal field-of-view. The curbside camera will meet your specification in that it will provide a field-of-view of 150 degrees.

Additional subscription features like the Enhanced Connectivity Bundle (ECB-1YR) provide Automatic Contactless Wireless Video File Transfer and At-A-Glance System Health Monitoring over Wi-Fi. This can be added for a minimal annual charge of less than 20 cents per bus per day.

SCOPE OF WORK

In-vehicle Components

All cameras are 1080p HD quality and utilize both Digital and Analog HD cameras to maximize the efficiency and capability of the system as a whole. The following four images are provided as examples of your specified camera locations.

Interior Views (4) – Looking into the seats

Forward Facing Camera (Road view through front Windshield)

Road View (1) – Curbside

Stop-Arm Cameras (Optional Views)

Training

Multiple training mediums are made available to customers including training videos, user guides, installation guides, phone support, email support and onsite training. This training is unlimited and is included in this response.

Warranty and Support

The warranty document from Pro-Vision is included with this response. Pro-Vision provides a 5-year warranty on all DVRs, Cameras, GPS antenna and Event buttons. Pro-Vision provides a LIFETIME warranty on the SDXC cards and all video cables. The warranty document explains the process for warranty returns and the RMA process.

Thanks and have a safe day.

60 MONTH LIMITED WARRANTY (U.S. and Canada)

PRO-VISION® Products

This warranty applies only to a PRO-VISION® product (excluding BODYCAM® brand products) originally purchased from PRO-VISION, Inc. (the "company") after April 1st, 2017, that is sold to and shipped to an original end user customer located in the United States or Canada, which product is used and operated solely within the United States or Canada (a "covered PRO-VISION® product"). For all other PRO-VISION® products, only the warranty in effect at the time the product was originally purchased from the company applies.

The company warrants that should any covered PRO-VISION® product, under normal use and conditions, be proven defective in material or workmanship within 60 months after the date of original purchase of the product from the company (lifetime on video cables, lifetime on sd cards, and 12 months on batteries, hard disk drives and Drive Recorder model DR-200) such defect(s) will be repaired by the company or the product replaced by the company with new or reconditioned product (at the company's option) without charge for parts or repair labor by the company. The repaired or replaced product will be returned by the company freight pre-paid via "ground" service.

To obtain repair or replacement within the terms of this warranty, the covered PRO-VISION® product must be delivered, transportation pre-paid by the warranty claimant, to the company's main office shown above, with written proof of warranty coverage (e.g.: company dated bill of sale, company approved dated bill of sale or company approved Vehicle In-Service Document), serial number on product and written specification of defect(s). In addition, a Return Merchandise Authorization Number (RMA number) must be clearly marked on the exterior of the shipping container. A RMA number may be obtained by calling 800.576.1126. Failure to obtain a RMA number and to clearly mark that number on the exterior of the shipping container may cause your shipment to be refused by the company. In the event written proof of warranty coverage is not provided to company by claimant, warranty coverage will be determined by the company, in its sole discretion, based on the product's serial number.

This warranty does not apply to any product or part thereof which, in the opinion of the company, has been damaged through alteration, improper installation, mishandling, misuse, neglect, or accident. Opening the housing of any product will void the warranty. Missing or illegible serial number will void the warranty. If a product is sent to the company for warranty evaluation without sufficient packing for product protection during shipping, warranty will be void. The extent of the company's liability under this warranty is limited to the repair or replacement provided above, and, in no event, shall the company's liability exceed the original purchase price paid to the company for the product. No technical support will be provided, and no warranty claims will be valid or provided under this warranty, for any product unless: (a) the company has received full payment for such product and (b) claimant is not in default of any of its obligations to the company regarding any PRO-VISION® product or company service.

This warranty is in lieu of all other express or implied warranties or liabilities. EXCEPT AS SPECIFIED IN THIS WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, SATISFACTORY QUALITY, NON-INTERFERENCE, ACCURACY OF INFORMATIONAL CONTENT, OR ARISING FROM A COURSE OF DEALING, LAW, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW AND ARE EXPRESSLY DISCLAIMED BY THE COMPANY. TO THE EXTENT AN IMPLIED WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE EXPRESS WARRANTY PERIOD. This disclaimer and exclusion shall apply even if the express warranty set forth above fails of its essential purpose. Any action for breach of this warranty must be filed within a period of 90 days after the date any claim for such breach first accrues. In no case shall the company be liable for any consequential or incidental damages for breach of any warranty. No person or representative is authorized to assume for the company any liability other than that expressed herein in connection with any product.

The company may modify these terms and conditions at any time by either providing any affected party with written notice or posting such revised terms on www.provisionusa.com. Such revised terms shall become effective 30 days after the date of such written notice or posting. For the limited warranty on BODYCAM® brand products please visit www.bodycameras.com.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
