

**CONSIDERATION OF APPROVAL OF RESOLUTION/AGREEMENT  
WITH KARNACK ISD TO ALLOW FOR THE EDUCATION OF  
KARNACK HIGH SCHOOL STUDENTS BEGINNING WITH THE 2015-16  
SCHOOL YEAR**

**Action Item:**

It is public knowledge that Karnack ISD recently had to make the difficult decision to not offer classes at the high school level beginning with the 15-16 school year. Therefore, Karnack ISD Superintendent Ms. Cozzetta Robinson has reached out to surrounding districts, including Jefferson ISD, in hopes to find a suitable situation that would allow those kids to be educated appropriately.

*(Ms. Robinson has met with me, Mr. Walker, and Mr. Fratangelo, and she has asked for us to put this item on the agenda. She is planning to be at the meeting, and we need to allow her to give an explanation of their situation and answer questions during this time.)*

**Recommendation:**
