Welcome to kindergarten!

2026-27

It's time to start your Inspired Journey!

Dear future Eagle families,

We're happy to welcome you and your student to the Eden Prairie Schools community! Kindergarten is a major milestone in your child's learning, and we know you have many choices for where to go to school. We'd love to have your student start their Inspired Journey of discovery, exploration and pursuit here in Eden Prairie Schools. Our school district recently embarked on Flight Plan 2035, our 10-year vision for the future. We can't wait to watch your student learn and grow as we further design the programs and experiences our community values for our students!

In Eden Prairie Schools, we inspire each student every day – and we can't wait to do that for your child. Our nationally recognized schools are known for their high academic standards and incredible teachers, who take time to truly know each student in order to support their learning. We focus on developing well-rounded students, helping them grow not only academically, but socially and emotionally as well. And when Eagles reach middle and high school, they can pursue their passions in more academic, artistic and athletic opportunities than are available to any other student in the state.

This booklet is your complete guide to getting started in Eden Prairie Schools. After you're finished, please submit your child's enrollment information to us as soon as possible. Options for submitting the required information can be found on page 9.

If you have questions about enrolling your student, please contact our Welcome Center at enroll@edenpr.org or 952-975-7008. We're here to help!

We look forward to meeting you at our kindergarten events, and we're excited for your student to join us next fall!

Sincerely,

Mike Ongie, Cedar Ridge Elementary Principal
Hernán Moncada, Eagle Heights Spanish Immersion Principal
Brett Lobben, Eden Lake Elementary Principal
Dr. Nick Kremer, EP Online Principal
Joel Knorr, Forest Hills Elementary Principal
Theresa Marty, Oak Point Elementary Principal
