

**Community Education Department
Program Report
April 2015**

- District 152 has been invited to celebrate with Thornton Township High School District 205 for their Academic Enrichment Foundation Gala on April 18th. Board members and other administrators that would like to attend please let Ms. Bolton know, so that we can purchase tickets and support their Foundation.
- The Community Education Department is truly excited to begin a great New Year. We are in the process of starting our marketing BLITZ for the **AUGUST Back-To-School Parade and Fair**. We will be forming B2S committee that consist of 2 people of each school, along with community members to assist with creating the buzz that the parade date will be changing to **Saturday, August 15, 2015**. We have notified the Principals with an email to see if they can get staff at each school to represent their school. An email and flyers have been sent to principals about the parade. The next committee meeting is scheduled for April 23rd at 3:15pm at the C.O.
- Community Education will work working with the Harvey Park Baseball League to do recruitment for their 2015-2016 Spring season. Ms. Bolton will send all application and flyer to the school. Any student interested in playing with the time can contact Coach Chaney at 708-965-1699.
- Community Education is currently working with several organizations to start the summer break/summer camps registration. Every year, we are fortunate to work with organizations that offer free or reduced-rate summer programs to our community. Currently we are working with **Circle Y Ranch** to do a 2 week camp in Bangor Michigan. Circle Y Ranch begins at 3rd grade – through 9th grade. Any older students have an opportunity to be camp counselors for the 7 week session. Those students will receive a financial stipend for this summer work.

*Great things are on the horizon for Harvey Public Schools, District
152!!*
