BEMIDJI, MINNESOTA**

DATE: JULY 21, 2025
TO: BOARD OF EDUCATION
FROM: ASHLEY EASTRIDGE, CPA, DIRECTOR OF BUSINESS SERVICES
SUBJECT: RESOLUTION RENEWING APPROVAL OF LTFM PLAN

The Minnesota Department requires School Boards to annually approve a school district's long term facilities maintenance plan (LTFM Plan). This plan consists of three parts. There is a ten-year expenditure projection. There is a ten year Revenue projection. There is a statement of assurances.

All three parts of the LTFM Plan for the Bemidji School District are attached and a short description of each follows.

The ten year expense plan is derived by populating the various expense categories with projects from our ten year planning schedule. If at some time we decide to do a major project, we can modify the schedule accordingly.

The ten year revenue projection is derived by using current data, including enrollment and building ages and rolling them forward. If we have a large project that qualifies for additional funding (such as asbestos abatement) we can request additional levy authority by providing specific project data to the department for approval.

The Statement of Assurances is approved by the Board and signed by the Superintendent and indicates that we will spend the funds in accordance with the LTFM statutes for allowable spending.

The Bemidji School Board desires to approve its Long Term Facilities Maintenance Plan (LTFM Plan) for FY 2026-2027. Consistent with this desire, the Bemidji School District #31 Board of Education is offering the following Resolution.
