2011 -2012 District Improvement Plan

According to the Planning and Decision Making Process section of the Texas Education Code § 11.251, “the board of trustees of each independent school district shall ensure that a district improvement plan and improvement plans for each campus are developed, reviewed, and revised annually for the purpose of improving the performance of all students. The board shall annually approve district and campus performance objectives.” Accordingly, the 2011-2012 District Improvement Plan is submitted for your approval.

The 2011-2012 District Improvement Plan was thoroughly reviewed by the Curriculum Department and the District Education Improvement Council, DEIC. Through the input of these two groups in multiple sessions, revisions were made to the document. In addition, revisions were made based upon the action plans derived from the 2009 CISD Strategic Plan and a CISD Comprehensive Needs Assessment.
