

LSAC Moments

Meeting 1:

In attendance: Adam Meade, Levi Tinney, April Apokedak, Glendora Nelson

Agenda: Gym book, Electing a new LSAC board.

Notes: IT was difficult to get LSAC rolling this year because so many people have been out of town and fewer people seem to be interested, the main topic of discussion in this meeting was electing a new board of LSAC members, we decided to hold the election in the student store where people could cast their ballots.

We used the Levelock Bulletin facebook page to ask people to nominate people of their choice to the board so we could create the ballots. Even though we posted the facebook group a week early. We also discussed the need of enforcement of the gym book, this has been an issue with kids sneaking into night gym even when they are on the list.

Meeting 2:

In attendance: Levi Tinney, Adam Meade (and everybody who came to cast their ballots)

Agenda: collect ballots, count the votes to elect the new LSAC board.

Notes: We only had 5 people nominated to the board so basically everybody nominated was elected, we talked and answered a few questions from people but there wasn't much to vote for since there were fewer nominees than there were spaces on the LSAC board.

Our next meeting will probably be this Friday where we can get the new board members (most of whom are old board members in to discuss their concerns.
