Re: 2015-16 Copier Paper Bid

The School Code of Illinois (25:220) requires a school board to let all contracts for supplies and materials in excess of \$25,000 to the lowest responsible bidder considering conformity with specifications, terms of delivery, quality and serviceability after due advertisement. However, if a purchase is made with a state contract vendor, no bid is required. MIDLAND PAPER COMPANY is the State of Illinois contract vendor for copier paper.

Geneva School District 304's total copier paper amount for the 2015-16 school year is \$93,850.70. This cost is distributed to each school facility's (School Copier Paper) budget line item. The price for a case of white, 8.5" x 11" paper is the same as it was last year – some colored stock has increased \$2.85 to \$3.50 a case. (Due to the increased copying needs involved in the Common Core materials, the schools have had to order enough cases of copier paper to sustain their copying requirements.)

Please ask the Board of Education, at its regularly scheduled meeting, on Monday, March 9, 2015, to authorize the purchase of the District's 2015-16 copier paper purchase from Midland Paper for a cost of \$93,850.70. .
