January 2022

## **A NOTE FROM PRINCIPAL MILLER:**

Fleming Families,

Welcome to the New Year and it has been great so far. We are coming to the end of 2nd quarter so please remind your child to talk with their teachers about missing assignments so we can ALL FINISH STRONG TOGETHER!!!

With a new year comes new and exciting things. At Fleming we have started a Staff/Student Monthly Challenge and anyone can join. This month is called the "Plank Challenge", so everyday at intramurals students will plank for a certain amount of time. At the end of the month everyone involved will receive a prize. We will have a new challenge each month.

We have also started "Artist of the Month". We have a lot of talented artists at Fleming Middle School and students will have a month to create a project, have it displayed at school and then we will choose an Artist of the Month.

We are really excited about these new opportunities because every student here at Fleming can participate. We will continue both these opportunities each month until the end of the year. Everyday in the announcements I talk to our students about striving to be responsible, respectful and safe to themselves and others each day. Please have a conversation with your child about how they are respectful, responsible and safe. Thank you for all your support and making Fleming Middle School a great place to learn and laugh!

Brian Miller  
Principal
