Procurement for architect or engineer services is prescribed by law in Texas Government Code 2254. The code, specifically 2254.004, requires all submissions to be selected based on demonstrated competence and qualifications. This project will be funded from the 2022 bond funds. The construction budget is currently \$47,687,000.

Recommendation: The administration recommends that the Board of Trustees approve Joiner Architects for the design of the new elementary School #35 and allow the Superintendent or designee to begin contract negotiations.
