Overview

Update 116 includes policy revisions in response to revised state rules and provisions from the 86th Legislative Session that are effective January 1, 2021.

Your Localized Update 116 packet also contains:

- **Explanatory Notes** describing the changes to each policy. Please note that, where appropriate, the Explanatory Notes ask you to verify that a particular policy reflects current district practice and to advise us of any changes needed so that our records and the district's policy manual accurately track the district's practice. Explanatory notes may also provide important information about policies not included in the update packet.
- **Instructions** for incorporating this update into each of the district's Localized Policy Manuals after board adoption. Use the enclosed Instruction Sheet as a guide to which policies should be added, replaced, and removed from your manual.

New! Local Policy Overview for Update 116

The newly redesigned publication *Local Policy Overview* is available in the myTASB Policy Service Resource Library. *Local Policy Overview* is presented in both video and written document formats and replaces *Vantage Points*, previously provided on yellow paper in mailed update packets and available online.

Like *Vantage Points*, the *Local Policy Overview* provides a general, high-level overview of the changes to the (LOCAL) policies included in TASB updates. This resource has been redesigned to better present the information and to meet accessibility standards for individuals with visual impairments. Both the video and written formats of the *Local Policy Overview* are available on myTASB in [Policy Manual Update Resources](#).⁴ From there, you may forward them electronically or print the written document for distribution to staff and board members.

Legal Services Update Memo

TASB Legal Services' [Legal Issues in Update 116 memo](#)⁵ (available in the myTASB Policy Service Resource Library under Policy Manual Update Resources) describes common legal concerns specific to the local policies recommended in this update for your consideration prior to board adoption of any local policies. Local policies will not be sent for a separate review by Legal Services as part of the update process. If after reviewing the memo you have questions about any specific provisions in your local policies, please contact TASB Legal Services at 800-580-5345.

(LEGAL) vs. (LOCAL) Policies: Remember the Difference

(LEGAL) policies:

- Reflect the ever-changing legal context for governance and management of the district
- Should inform local decision making
- Should NOT be adopted, but only reviewed

(LOCAL) policies:

- Require close attention by both the administration and the board
- Must reflect the practices of the district and the intentions of the board
- May only be changed by board action (adopt, revise, or repeal)

If your board adopts changes to the (LOCAL) policies contained in this packet, please notify your policy consultant.

How to Place Policy Changes on the Agenda for Board Action

TASB recommends that the district address this update on the agenda as follows:

“Policy Update 116:

- *(LEGAL) policies*
- *(LOCAL) policies (see attached list of codes)”*

(LEGAL) policies sub-item: TASB recommends that the board review, but not adopt, the (LEGAL) policies issued in the update. If the board may discuss certain issues addressed by the updated (LEGAL) policies, particularly if those issues are of interest to the public, then, for purposes of discussion, the relevant policy codes, titles, and subtitles should be listed under the sub-item.

(LOCAL) policies sub-item: Board action on the (LOCAL) policies included in the update must occur within a properly posted, open meeting of the board.

- You may use the “(LOCAL) Policy Action List” provided online in Local Manual Updates and include the list under the sub-item, or you may compile a list of (LOCAL) policy codes, titles, and subtitles from the Instruction Sheet and Explanatory Notes included in the update packet.
- A suggested motion for board action on the (LOCAL) policies included in the update:

“I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 116 [with the following changes:]”

How to Notify Policy Service of Board Action

Notify Policy Service of the board’s action on Update 116 by completing the electronic [Notify TASB of Policy Adoption](#)⁶ form on myTASB or by using the Update 116 Adoption Notification Form, enclosed, so Policy Service records remain accurate.

How to Keep Minutes

The board's action on Localized Update 116 must be reflected in board minutes. Your minutes should include:

- The list of proposed (LOCAL) policy actions, such as the Instruction Sheet—annotated to reflect any changes made by the board
- The Explanatory Notes for the update (filed as an attachment to the minutes)
- Copies of new, replaced, or rescinded (LOCAL) policies

How to Maintain Your Historical Record

To construct a separate historical record of the manual, you must track the history of individual (LOCAL) policies. You should maintain a permanent historical record of every (LOCAL) policy adopted, revised, or rescinded by the board.

At a minimum, this record should include the following key pieces of information:

- Policy code
- Date of board action
- Text of policy

For more guidance on maintaining this record, please refer to:

- [The Administrator's Guide to Policy Management](#)⁷
- [Tutorial videos](#)⁸ on handling an update

These guides are available in the myTASB Policy Service Resource Library.

How to Keep Your Administrative Regulations Current

[Regulations Resource Manual](#)⁹ Update 62, which includes revisions to model regulations and forms corresponding with Update 116, is now available on myTASB.

Inspect your district's administrative procedures and documents—including (EXHIBIT)s, (REGULATION)s, handbooks, and guides—that may be affected by Update 116 policy changes.

If you must make changes to the (REGULATION)s or (EXHIBIT)s contained in your board policy manual, please notify your policy consultant.

Policy Service recommends several revisions to this local policy on student medical treatment to reflect current guidance from the Texas Department of State Health Services (DSHS) and common district practices.

- In accordance with DSHS guidance, the policy now reflects that the district shall not purchase non-prescription medication to administer to students. **Contact the district's policy consultant if the district purchases or provides any medication for students, including providing nonprescription medication in the district's athletic program, unassigned epinephrine auto-injectors, or unassigned prescription asthma medication.**

This new text is recommended to replace previous text that covered emergency treatment forms.

Accreditation

Each district must be accredited by Texas Education Agency (TEA). A district that is not accredited may not receive funds from TEA or hold itself out as operating a public school of this state. *Education Code 11.001, 39.052(f)*

District accreditation is determined in accordance with Education Code Chapter 39, Subchapter C and rules adopted by the commissioner of education at 19 Administrative Code, Chapter 97, Subchapter EE (Accreditation Status, Standards, and Sanctions). *Education Code 39.051*

Statuses

The commissioner shall determine criteria for the following accreditation statuses:

1. Accredited. Accredited means TEA recognizes the district as a public school of this state that meets the standards determined by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1059; and is not currently assigned an accreditation status of Accredited-Warned or Accredited-Probation;
2. Accredited-Warned. Accredited-Warned means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(b), that, if not addressed, will lead to probation or revocation of its accreditation status;
3. Accredited-Probation. Accredited-Probation means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(c), that must be addressed to avoid revocation of its accreditation status; and
4. Not Accredited-Revoked. Not Accredited-Revoked means TEA does not recognize the district as a Texas public school because the district's performance has failed to meet standards adopted by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1055(d).

Education Code 39.051; 19 TAC 97.1055(a)(1)

Annual Evaluation

Each year, the commissioner shall determine the accreditation status of each district. In determining the accreditation status of a district, the commissioner:

1. Shall evaluate and consider performance:
 - a. On achievement indicators under Education Code 39.053 [see Performance Indicators, below]; and

- b. Under the financial accountability rating system developed under Education Code, Chapter 39, Subchapter D [see CFA].
- 2. May evaluate and consider:
 - a. The district's compliance with statutory requirements and requirements imposed by rule of the commissioner or State Board of Education that relate to:
 - (1) Reporting data through the Public Education Information Management System (PEIMS) or other reports required by state or federal law or court order;
 - (2) High school graduation requirements; or
 - (3) Extracurricular activities, student health and safety, purchasing, elementary class size limits, removal of a disruptive student from the classroom, at-risk programs, and prekindergarten programs;
 - b. The effectiveness of the district's programs for special populations; and
 - c. The effectiveness of the district's career and technology program.

Based on a district's performance, the commissioner shall assign each district an accreditation status or revoke the accreditation of the district and order closure of the district.

A district's accreditation status may be raised or lowered based on the district's performance or may be lowered based on the performance of one or more campuses in the district that is below a standard required by Education Code Chapter 39, Subchapter C.

Education Code 7.056(e)(3)(C)-(I), 39.052; 19 TAC 97.1055

For additional information on the commissioner process for assigning accreditation status, see 19 Administrative Code 97.1055.

Notice of Status

The commissioner shall notify a district if the district has received an accreditation status of accredited-warned or accredited-probation, or a campus's performance is below standard. *Education Code 39.052(e)*

*To Parents and
Property Owners*

A district assigned an accreditation status of accredited-warned, accredited-probation, or not accredited-revoked shall notify the parents of students enrolled in the district and property owners in the district as specified in 19 Administrative Code 97.1055. The district's notice must contain information about the accreditation sta-

tus, the implications of such status, and the steps the district is taking to address the areas of deficiency identified by the commissioner. The district's notice shall use the format and language determined by the commissioner.

The district's notice must:

1. Not later than 30 calendar days after the accreditation status is assigned, appear on the home page of the district's website, with a link to the required notification, and remain until the district is assigned the accredited status; and
2. Appear in a newspaper of general circulation, as defined in 19 Administrative Code 97.1051 (Definitions), in the district for three consecutive days as follows:
 - a. From Sunday through Tuesday of the second week following assignment of the status; or
 - b. If the newspaper is not published from Sunday through Tuesday, then for three consecutive issues of the newspaper beginning the second week following assignment of the status; or
3. Not later than 30 calendar days after the status is assigned, be sent by first class mail addressed individually to each parent of a student enrolled in the district and each property owner in the district; or
4. Not later than 30 calendar days after the status is assigned, be presented as a discussion item in a public meeting of the board of trustees conducted at a time and location that allows parents of students enrolled in the district and property owners in the district to attend and provide public comment.

To TEA

A district required to act under this subsection shall send the following to TEA via certified mail, return receipt requested:

1. The universal resource locator (URL) for the link to the notification required above; and
2. Copies of the notice in the newspaper showing dates of publication, or a paid invoice showing the notice content and its dates of publication; or
3. Copies of the notice sent by mail and copies of all mailing lists and postage receipts; or
4. Copies of the notice presented at a public meeting and copies of the board of trustees meeting notice and minutes for the

board meeting in which the notice was presented and publicly discussed.

19 TAC 97.1055(f)

Performance Indicators

The commissioner shall adopt a set of indicators of the quality of learning and achievement, including three domains of achievement indicators. [See Achievement Indicators, below] *Education Code 39.053(a)*

The indicators must measure and evaluate districts and campuses with respect to:

1. Improving student preparedness for success in subsequent grade levels and entering the workforce, the military, or post-secondary education;
2. Reducing, with the goal of eliminating, student academic achievement differentials among students from different racial and ethnic groups and socioeconomic backgrounds; and
3. Informing parents and the community regarding campus and district performance.

Education Code 39.053(a-1)

Achievement Indicators

Districts and campuses must be evaluated based on indicators of achievement grouped in three domains:

1. Student achievement domain;
2. School progress domain; and
3. Closing the gaps domain.

Education Code 39.053(c)

Performance on the achievement indicators in the three domains shall be compared to state-established standards. The indicators must be based on information that is disaggregated by race, ethnicity, and socioeconomic status. *Education Code 39.053(b)*

Each school district shall submit the data required for the indicators to the commissioner. *Education Code 39.053(i)*

A–F Performance Ratings

The commissioner shall adopt rules to evaluate district and campus performance and assign each district and campus an overall performance rating of A, B, C, D, or F.

In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Education Code 39.053(c) [see Achievement Indicators, above].

An overall or domain performance rating of:

1. A reflects exemplary performance.
2. B reflects recognized performance.
3. C reflects acceptable performance.
4. D reflects performance that needs improvement.
5. F reflects unacceptable performance.

A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F. A reference in law to an acceptable rating or acceptable performance includes an overall or domain performance rating of A, B, C, or D or exemplary, recognized, or acceptable performance, or performance that needs improvement.

For purposes of assigning districts and campuses an overall and a domain performance rating, the commissioner shall ensure that the method used to evaluate performance is implemented in a manner that provides the mathematical possibility that all districts and campuses receive an A rating.

Not later than August 15 of each year, the performance ratings of each district and campus shall be made publicly available as provided by rules adopted by the commissioner.

Education Code 39.054(a), (a-3), (b)

Local Accountability System

The local accountability system standards established by the commissioner under Education Code 39.0544 shall be used by districts to develop a plan to locally evaluate the performance of their campuses. *19 TAC 97.1003(a)*

Local Accountability Plan

A local accountability plan created by a district must include domain performance ratings assigned by the commissioner under Education Code 39.054, and performance ratings based on locally developed domains or sets of accountability measures. *19 TAC 97.1003(b)*

A district must create its local accountability plan based on school type. The four school types are elementary school, middle school, high school, and kindergarten–grade 12. The plan must include all campuses within a school type. The district may also request to identify an additional school group within a school type for which to customize its local accountability plan. Otherwise, all campuses within a school type must be evaluated on a common set of components determined by the district. A district may also request to

	<p>identify a campus rated under alternative education accountability provisions as a unique school type. <i>19 TAC 97.1003(b)(4)</i></p>
<p><i>Plan Components</i></p>	<p>A locally developed domain or set of accountability measures is referred to as a plan component. Plan components must describe each item and the reason for its inclusion in the plan. A district must assign each component to one of the following five domains: academics, culture and climate, extra- and co-curricular, future-ready learning, and locally determined. The weight of all plan components must equal 100 percent. <i>19 TAC 97.1003(b)(1)</i></p> <p>A district may assign weights to each plan component, as determined by the district, provided that the plan components must in the aggregate account for no more than 50 percent of the combined overall performance rating. A local accountability plan may include no fewer than two and no more than ten components weighted between 5 percent and 60 percent. <i>19 TAC 97.1003(c)</i></p> <p>Each plan component must contain levels of performance that allow for differentiation, with assigned standards for achieving the differentiated levels that are aligned to a letter grade of A, B, C, D, or F and meet the requirements of 19 Administrative Code 97.1003(d)(1)–(3). <i>19 TAC 97.1003(d)</i></p> <p>Each plan component measure must meet standards for reliability and validity as required by 19 Administrative Code 97.1003(e)(1)–(3). <i>19 TAC 97.1003(e)</i></p>
<p>Campuses without STAAR or State Ratings</p>	<p>For the purposes of assigning state accountability ratings, a campus that does not serve any grade level for which a State of Texas Assessments of Academic Readiness (STAAR) examination is administered is paired with a campus in its district that serves grade levels for which STAAR examinations are administered.</p> <p>A campus not rated under the state accountability system is not eligible to combine state and local ratings. Local accountability data for a campus without state ratings may be displayed on TEA, district, and campus websites but will not be combined with state accountability data. The state accountability manual adopted under 19 Administrative Code 97.1001 (Accountability Rating System) provides information about campus ratings and eligibility for applicable years.</p> <p><i>19 TAC 97.1003(b)(3)</i></p>
<p>Campus Performance Ratings</p>	<p>A district authorized to assign campus performance ratings shall evaluate the performance of each campus and assign each campus a performance rating of A, B, C, D, or F for overall perfor-</p>

mance and for each locally developed domain or set of accountability measures. Not later than a date established by the commissioner, the district shall:

1. Report the performance ratings to the agency; and
2. Make the performance ratings available to the public as provided by commissioner rule.

Education Code 39.0544(e)

Each campus with an approved district plan is eligible to receive a local accountability rating. A campus with an overall state accountability rating of C or higher based on ratings derived from student performance at the campus is eligible to combine an overall local accountability rating with the overall state accountability rating to determine the combined rating. *19 TAC 97.1003(b)(2); Education Code 39.054(a)*

Submission and
Audit Standards

Calculations for each plan component and overall performance ratings must be capable of being audited by a third party.

A district must use a one-to-one correspondence when converting campus grades based on plan component measures to a standard scale of 30–100 where A=90–100, B=80–89, C=70–79, D=60–69, and F=30–59. Categorical data, or data not on a continuous scale, must be converted to the standard scale of A=90–100, B=80–89, C=70–79, D=60–69, and F=30–59 by assigning the maximum value for each scaled score interval with the corresponding category used in the campus rating scale.

A district is required to submit local accountability plan component, domain, and overall scaled scores and ratings to TEA by the first week of July of the applicable accountability year.

All scaled scores and letter grades submitted by a school district are subject to audit. Any data discrepancies or any indication that data have been compromised may result in verification and audit of district and campus data used to assign local accountability ratings. The audit process may include requests for data used for campus-level calculation of component and domain scaled scores.

On an annual basis, TEA will randomly select districts for local accountability audits, and, for each such audit, TEA will randomly select components for review. Selected districts must submit the requested data for review within the timeframe specified. A district must maintain documentation of its local accountability plan, along with all associated data used to assign campus ratings, for two years after the end of the plan implementation period.

Responsibility for the accuracy and quality of data used to determine local accountability ratings rests with each district. Superintendent certification of data accuracy during the ratings submission process shall include an assurance that calculations have been verified to ensure that all data were included as appropriate for all components.

19 TAC 97.1003(f)(1)–(6)

Scorecard and
Website

A district must produce a campus scorecard and make available on the district website an explanation of the methodology used to assign local accountability performance ratings. The campus scorecard shall include, at a minimum, the scaled score and rating for each component and domain along with the overall rating. A link to the local accountability ratings posted by the district must be provided to TEA and may be included on the agency-developed school report card. *19 TAC 97.1003(g)*

Appeal and
Revision

An appeal of a local accountability rating may be submitted by the superintendent once ratings are released. The local accountability appeals timeline follows the appeal deadline dates and processes as described in the state accountability manual adopted under 19 Administrative Code 97.1001 of this title for the applicable year. *19 TAC 97.1003(f)(7)*

Ratings may be revised as a result of investigative activities by the commissioner as authorized under Education Code 39.057(d) and (e). *19 TAC 97.1003(h)*

**Distinction
Designations for
Outstanding
Performance**

The commissioner shall award distinction designations for outstanding performance. A distinction designation awarded to a district or campus shall be referenced directly in connection with the performance rating assigned to the district or campus and made publicly available together with the A–F performance ratings.

A district or campus may not be awarded a distinction designation unless the district or campus has acceptable performance under the A–F performance ratings.

Education Code 39.201

Academic
Distinction

The commissioner shall establish an academic distinction designation for districts and campuses for outstanding performance in attainment of postsecondary readiness based on the commissioner's adopted criteria. *Education Code 39.202*

Campus Distinction

The commissioner shall award a campus a distinction designation for outstanding performance in:

1. Improvement in student achievement;

2. Closing student achievement differentials; and
3. Academic achievement in English language arts, mathematics, science, or social studies.

Education Code 39.203

The commissioner may award a distinction designation for outstanding performance in advanced middle or junior high school student achievement. *Education Code 39.203(d)*

**Excellence
Exemptions**

Except as listed below, a district or campus that is rated A (exemplary) is exempt from requirements and prohibitions imposed under the Education Code, including regulations adopted under the Education Code.

An exemplary campus or district is not exempt from:

1. A prohibition on conduct that constitutes a criminal offense;
2. Requirements imposed by federal law or rule, including requirements for special education or bilingual education programs;
3. A requirement, restriction, or prohibition relating to:
 - a. Curriculum essential knowledge and skills or high school graduation requirements;
 - b. Public school accountability;
 - c. Extracurricular activities;
 - d. Health and safety;
 - e. Purchasing;
 - f. Elementary class size limits;
 - g. Removal of a disruptive student from the classroom;
 - h. At-risk programs;
 - i. Prekindergarten programs;
 - j. Rights and benefits of school employees;
 - k. Special education programs; or
 - l. Bilingual education programs.

The commissioner may exempt an exemplary campus from class size limits if the campus submits a written plan showing steps that will be taken to ensure that the exemption will not be harmful to the academic achievement of the students on the school campus. If

granted, the exemption remains in effect until the commissioner determines that achievement levels of the campus have declined.

Education Code 39.232

District Annual Report

The board shall publish an annual report describing the educational performance of the district and of each campus in the district that includes uniform student performance and descriptive information as determined under rules adopted by the commissioner of education. *Education Code 39.306(a)*

Texas Academic Performance Report (TAPR)

The performance report provided by the Texas Education Agency (TEA) under Education Code 39.306 shall be termed the Texas Academic Performance Report (TAPR). The intent of the TAPR is to inform the public about the educational performance of the district and of each campus in the district in relation to the district, the state, and a comparable group of schools. The TAPR will present the campus performance information as well as the student, staff, and financial information required by statute. It will also include any explanations and additional information deemed appropriate to the intent of the report.

The district may not alter the report provided by TEA. However, the district may concurrently provide additional information to the public that supplements or explains information in the TAPR.

The performance of a district is included on the RDA report through indicators of student performance and program effectiveness and corresponding performance levels established by the commissioner. *19 TAC 97.1005; Education Code 7.028(a)*

Federal Report Card

A district that receives Title I funding shall prepare and disseminate an annual federal report card that includes information on the district as a whole and each school within the district.

Implementation

The federal report card shall be concise; presented in an understandable and uniform format, and to the extent practicable, in a language that parents can understand; and accessible to the public, which shall include placing the report card on the district's website. If the district does not operate a website, the information in the report card must be provided to the public in another manner determined by the district.

Minimum
Requirements

The federal report card shall include the information required in the annual state report card described at 20 U.S.C. 6311(h)(1)(C), as applied to the district and each school served by the district, including:

2. In the case of a school, information that shows how the school's students' achievement on state academic assessments compared to students served by the district and the state as a whole; and

3. Any other information that the district determines is appropriate and will best provide parents, students, and other members of the public with information regarding the progress of each public school served by the district, whether or not such information is included in the annual state report card.

20 U.S.C. 6311(h)(2)

**District Data on
Academic
Achievement**

On request by the board, TEA shall create a website that members of the board may use to review campus and district academic achievement data. The website must also be made available to campuses in a similar manner that access is provided to the board.

The website must:

1. Include district information, disaggregated by campus, grade, sex, race, academic quarter or semester, as applicable, and school year, regarding the following:
 - a. Student academic achievement and growth;
 - b. Teacher and student attendance; and
 - c. Student discipline records; and
2. Be updated at least once each quarter of the school year.

The commissioner shall provide information that permits a board member to compare the district's academic performance with the academic performance of other districts of similar size and racial and economic demographics.

A district must provide requested information to the commissioner for the creation of the website. Confidential information received by the commissioner remains confidential. The commissioner shall design the website to ensure that public information is made available to the public, and information submitted by districts noted as confidential is not made available to the public.

A request for public information under this provision shall be submitted to the district that provides the agency with the information. TEA may not release information submitted by a district that is noted as confidential information.

 - b. The academic performance standards under Education Code 39.053 or 39.054 [see AIA]; or
 - c. Any financial accountability standard as determined by commissioner rule [see CFA]; or
2. The commissioner considers the action to be appropriate on the basis of a special accreditation investigation under Education Code 39.057.

Education Code 39A.001

*Authorized
Commissioner
Actions*

If a district is subject to commissioner action, the commissioner may:

1. Issue public notice of the deficiency to the board;
2. Order a hearing to be conducted by the board to notify the public of:

 - c. The interventions and sanctions that may be imposed if the performance does not improve;
3. Order the preparation of a student achievement improvement plan that addresses each academic achievement indicator under Education Code 39.053(c) for which the district's performance is insufficient, the submission of the plan to the commissioner for approval, and the implementation of the plan;
4. Order a hearing to be held before the commissioner or the commissioner's designee at which the president of the board and the district's superintendent shall appear and explain the district's low performance, lack of improvement, and plans for improvement;
5. Arrange a monitoring review of the district;
6. Appoint a TEA monitor to participate in and report to TEA on the activities of the board or superintendent;

7. Appoint a conservator to oversee the operations of the district;
8. Appoint a management team to direct the operations of the district in areas of insufficient performance or require the district to obtain certain services under a contract with another person; or
9. Authorize the district to enter into a memorandum of understanding with an institution of higher education that provides for the assistance of the institution of higher education in improving the district's performance.

Education Code 39A.002

Regardless of whether the commissioner lowers a district's status or rating, the commissioner may take action under Education Code Chapters 39 and 39A or 19 Administrative Code 97.1057 if the commissioner determines that the action is necessary to improve any area of performance by the district or campus.

Subject to 19 Administrative Code 97.1057(h)–(k), once the commissioner takes action under 19 Administrative Code Subchapter EE (accreditation status, standards, and sanctions), the commissioner may impose on the district or campus any other sanction under Education Code Chapter 39 or 39A, or Subchapter EE, singly or in combination, to the extent the commissioner determines is reasonably required to achieve the purposes specified in 19 Administrative Code 97.1053.

19 TAC 97.1057(c), (e)

In making a determination to impose district and campus accreditation sanctions under 19 Administrative Code Chapter 97, Subchapter EE, the commissioner shall meet the requirements of 19 Administrative Code 97.1059. *19 TAC 97.1059*

Management Team

The commissioner shall clearly define the powers and duties of a conservator or management team appointed to oversee the operations of a district.

At least every 90 days, the commissioner shall review the need for the conservator or management team and shall remove the conservator or management team unless the commissioner determines that continued appointment is necessary for effective governance of the district or delivery of instructional services.

A conservator or management team, if directed by the commissioner, shall prepare a plan for the implementation of the appointment of a board of managers or the revocation of accreditation.

The conservator or management team may:

1. Direct an action to be taken by the principal of a campus, the superintendent of the district, or the board; and
2. Approve or disapprove any action of the principal of a campus, the superintendent of the district, or the board.

A board of managers appointed by the commissioner is required to take appropriate actions to resolve the conditions that caused a campus to be subject to the commissioner's order, including amending the district's budget, reassigning staff, or relocating academic programs. The commissioner may adopt rules necessary to implement this subsection.

Removal of Board
of Managers

The commissioner may remove a board of managers appointed to govern a school district only if the campus that was the basis for the appointment of the board of managers receives an acceptable performance rating for two consecutive school years.

If a campus that was the basis for the appointment of a board of managers receives an unacceptable performance rating for two additional consecutive years following the appointment of the board of managers, the commissioner may remove the board of managers and, in consultation with the local community, may appoint a new board of managers to govern the district.

Following the removal of a board of managers, or at the request of a managing entity to oversee the implementation of alternative management, the commissioner may appoint a conservator or monitor for the district to ensure district-level support for low-performing campuses and to oversee the implementation of the updated targeted improvement plan.

**Challenge of
Intervention or
Sanction**

A district that challenges the commissioner's decision to close the district or a campus or to pursue alternative management of a campus must appeal the decision as provided below.

Review of
Sanctions by SOAH

A challenge is under the substantial evidence rule [see Government Code, Chapter 2001, Subchapter G]. The commissioner shall adopt procedural rules for a challenge under this section.

Notwithstanding other law:

1. The State Office of Administrative Hearings (SOAH) shall conduct an expedited review of a challenge;
2. The administrative law judge shall issue a final order not later than the 30th day after the date on which the hearing is finally closed;

3. The decision of the administrative law judge is final and may not be appealed; and
4. The decision of the administrative law judge may set an effective date for an action under this section.

Education Code 39A.301

Annual Review

The commissioner shall annually review the performance of a district or campus subject to intervention and sanction to determine the appropriate actions to be implemented.

The commissioner must review at least annually the performance of a district for which the accreditation status or performance rating has been lowered due to insufficient student performance and may not raise the accreditation status or performance rating until the district has demonstrated improved student performance.

If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

Education Code 39A.901

Increasing Intensity

If a district or campus does not exhibit improvement in student performance, the commissioner may increase the intensity of intervention and sanction that would otherwise be required by statute or rule, including ordering campus closure, district annexation, or appointment of a board of managers.

For purposes of this section, improvement means an increase in the scaled score for the overall academic performance rating under Education Code Chapter 39.

19 TAC 97.1070(a)–(b)

**Special
Accreditation
Investigations**

The commissioner may authorize a special accreditation investigation:

1. When excessive numbers of absences of students eligible to be tested on state assessment instruments are determined;

3. In response to complaints to TEA of alleged violations of civil rights or other requirements imposed on the state by federal law or court order;
4. In response to established compliance reviews of the district's financial accounting practices and state and federal reporting requirements;

5. When extraordinary numbers of student placements in disciplinary alternative education programs, other than placements under Education Code 37.006 and 37.007, are determined;
6. In response to an allegation involving a conflict between members of the board or between the board and the district administration if it appears that the conflict involves a violation of a role or duty of the board members or the administration clearly defined by the Education Code. If TEA's findings indicate the board has observed a lawfully adopted policy, TEA may not substitute its judgment for that of the board;
7. When excessive numbers of students in special education programs are assessed through modified assessment instruments;
8. In response to an allegation regarding, or an analysis using a statistical method result indicating, a possible violation of an assessment instrument security procedure;
9. When a significant pattern of decreased academic performance has developed as a result of the promotion in the preceding two school years of students who did not perform satisfactorily on the state assessments;
10. When excessive numbers of students eligible to enroll fail to complete an Algebra II course or any other advanced course as determined by the commissioner;

14. When a school district for any reason fails to produce, at the request of TEA, evidence or an investigation report relating to an educator who is under investigation by the State Board for Educator Certification;
15. Commissioner
Action

Based on the results of a special accreditation investigation, the commissioner may:

1. Take appropriate action under Education Code Chapter 39A, [see Interventions and Sanctions for School Districts, above];
2. Lower the district's accreditation status or a district's or campus's performance rating; or
3. Take action under both items 1 and 2 above.

Regardless of whether the commissioner lowers the accreditation status or a district's or campus's performance rating, the commissioner may impose one of the district- or campus-level interventions or sanctions under Education Code 39A.002 [see Interventions and Sanctions for School Districts, above].

Education Code 39.057(d), (e)

**Miscellaneous
Provisions**

Acquisition of
Professional
Services

In addition to other authorized interventions and sanctions, the commissioner may order a district or campus to acquire professional services at the expense of the district or campus to address the applicable financial, assessment, data quality, program, performance, or governance deficiency. The commissioner's order may require the district or campus to:

1. Select or be assigned an external auditor, data quality expert, professional authorized to monitor district assessment instrument administration, or curriculum or program expert; or
2. Provide for or participate in the appropriate training of district staff or board members in the case of a district, or campus staff, in the case of a campus.

Education Code 39A.902

Costs Paid by
District

fails or refuses to pay the costs in a timely manner, the commissioner may:

1. Pay the costs using amounts withheld from any funds to which the district is otherwise entitled; or
2. Recover the amount of the costs in the manner provided for recovery of an over allocation of state funds under Education Code 48.272.

Education Code 39A.903

Monitoring Reviews
and On-Site
Investigations

Except as provided by Education Code 7.028(a), the commissioner may direct TEA to conduct monitoring reviews and random on-site visits of a district at any time, as authorized by Education Code 7.028, only as necessary to ensure:

1. Compliance with federal law and regulations;
2. Financial accountability, including compliance with grant requirements; and
3. Data integrity for purposes of:
 - a. The Public Education Information Management System (PEIMS);
 - b. Accountability under Education Code Chapter 39 and 39A; and
4. Qualification for funding under Chapter 48.

The board of trustees has primary responsibility for ensuring that the district complies with all applicable requirements of state educational programs.

Education Code 7.028

Notice

TEA shall give written notice to the superintendent and the board of trustees of any impending monitoring review. *Education Code 39.056(d)*

*Conducting the
Review*

A monitoring review may include desk reviews and on-site visits, including random on-site visits. Intervention actions taken under this section are intended to assist the district in raising its performance and/or achieving compliance under 19 Administrative Code 97.1005 and do not preclude or substitute for a sanction under another provision of Chapter 97, Subchapter EE.

19 TAC 97.1071

Intervention Pause

Except as otherwise provided by 19 Administrative Code 97.1062 and unless extended by the commissioner, TEA will cease to enforce the interventions under Education Code 39A.101-39A.111 until conclusion of the second consecutive school year of operation under:

1. A partnership as defined by 19 Administrative Code 97.1077(a)(2), (b), or (c) of this title [see ELA]; or
2. Designation as a mathematics innovation zone under Education Code 28.020 and applicable rules.

Any intervention or sanction not covered by the provision above shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

19 TAC 97.1062

Failure to Submit
EOP

If TEA receives notice from the Texas School Safety Center of a district's failure to submit a multihazard emergency operations plan [see CKC], the commissioner may appoint a conservator for the district under Education Code Chapter 39A. The conservator may order the district to adopt, implement, and submit a multihazard emergency operations plan. If a district fails to comply with a conservator's order to adopt, implement, and submit a multihazard emergency operations plan within the time frame imposed by the commissioner, the commissioner may appoint a board of managers under Education Code Chapter 39A to oversee the operations of the district. *Education Code 37.1082(a)–(b)*

Note: The following provisions apply to a district with a central administrative office that is located in a county with a population of more than two million and that has a student enrollment that is more than 125,000 and less than 200,000, and that is operating under a turnaround plan.

A board may act only by majority vote of the members present at a meeting held in compliance with Government Code Chapter 551, at which a quorum of the board is present and voting. A majority vote is generally determined from a majority of those present and voting, excluding abstentions, assuming a quorum is present. *Education Code 11.051(a-1); Atty. Gen. Op. GA-689 (2009)*

Definitions

Meeting

“Meeting” means a deliberation among a quorum of a board, or between a quorum of the board and another person, during which public business or public policy over which the board has supervision or control is discussed or considered, or during which the board takes formal action. “Meeting” also means a gathering:

Legislative Committee or Agency Meeting

The attendance by a quorum of a board at a meeting of a committee or agency of the legislature is not considered to be a meeting of a board if the deliberations at the meeting by the board members consist only of publicly testifying, publicly commenting, and publicly responding to a question asked by a member of the legislative committee or agency. *Gov't Code 551.0035(b)*

A board may adopt reasonable rules to maintain order at a meeting, including rules related to the location of recording equipment and the manner in which the recording is conducted. These rules shall not prevent or unreasonably impair a person from exercising the right to record a meeting that is open to the public. *Gov't Code 551.023*

Minutes

A board shall prepare and keep minutes or make a recording of each open meeting. The minutes shall state the subject matter of

each deliberation and indicate each vote, order, decision, or other action taken. *Gov't Code 551.021*

Board Member

If an open meeting is continued to the following regular business day and, on that following day, a board continues the meeting to another day, the board must give the required written notice of the meeting continued to that other day. *Gov't Code 551.0411(a)*

Inquiry During Meeting

If a member of the public or of a board inquires at a meeting about a subject for which notice has not been given, the notice provisions do not apply to a statement of specific factual information given in response to the inquiry or a recitation of existing policy in response to the inquiry. Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda of a subsequent meeting. *Gov't Code 551.042*

Location

A board must hold each public meeting within the boundaries of the district, except:

1. As otherwise required by law; or
2. To hold a joint meeting with another district or with another governmental entity if the boundaries of the governmental entity are in whole or in part within the boundaries of the district.

Education Code 26.007(b)

Time of Notice and Accessibility

Notice of a board meeting shall be posted on a bulletin board at a place convenient to the public in the central administration office for at least 72 hours before the scheduled time of the meeting. That notice or a notice posted at another board-designated place shall at all times be readily accessible to the public for at least 72 hours

before the scheduled time of the meeting. *Gov't Code 551.043(a), .051; City of San Antonio v. Fourth Court of Appeals, 820 S.W. 2d 762 (Tex. 1991)*

If a district is required to post notice of a meeting on the internet, the district satisfies the requirement that the notice must be posted in a place readily accessible to the general public at all times by making a good-faith attempt to continuously post the notice on the internet during the prescribed period.

A district must still comply with the duty to physically post the notice in the central administration office and if the district makes a good-faith attempt to continuously post the notice on the internet during the prescribed period, the physically posted notice must be readily accessible to the general public during normal business hours.

Gov't Code 551.043(b)

Internet Posting

If a district maintains an internet website, in addition to the other place at which notice is required to be posted, a board must also concurrently post notice of a meeting on the internet website.

A district that contains all or part of the area within the corporate boundaries of a municipality with a population of 48,000 or more must also, concurrently with the notice, post on the district's internet website the agenda for a board meeting, if the agenda differs from the posted notice.

The validity of a posting of a district that made a good-faith attempt to comply with the internet posting requirements is not affected by a failure to comply that is due to a technical problem beyond the control of the district.

Gov't Code 551.056 [See CQA for website posting requirements regarding notice of board meetings.]

Specificity of Agenda / Notice

Agendas for all meetings shall be sufficiently specific to inform the public of the subjects to be deliberated at the meeting, setting out any special or unusual matters to be considered or any matter in which the public has a particular interest. Deliberations or actions pertaining to a superintendent and principals are of particular public interest, and notice of those subjects must be worded with such clarity that the public will understand what a board proposes to discuss or accomplish. *Cox Enterprises, Inc. v. Austin Indep. Sch. Dist.*, 706 S.W.2d 956 (Tex. 1986); *Point Isabel Indep. Sch. Dist. v. Hinojosa*, 797 S.W.2d 176 (Tex. App.—Corpus Christi 1990, writ denied); *Atty. Gen. Ops. The terms “employee briefing” or “staff briefing” do not give adequate notice of the subject matter to be presented to a board by employees or staff members. *Atty. Gen. Op. JC-169 (2000)*

The subject of a report or update by district staff or a member of the board must be set out in the notice in a manner that informs a reader about the subjects to be addressed. *Atty. Gen. Op. GA-668 (2008)*

**Emergency Meeting
or Emergency
Addition to Agenda**

In an emergency or when there is an urgent public necessity, the notice of a meeting to deliberate or take action on the emergency or urgent public necessity, or the supplemental notice to add the deliberation or taking of action on the emergency or urgent public necessity as an item to the agenda for a meeting for which notice has been posted in accordance with the Open Meetings Act, is sufficient if the notice or supplemental notice is posted for at least one hour before the meeting is convened.

A board may not deliberate or take action on a matter at a meeting for which notice or supplemental notice is posted as described above other than:

1. A matter directly related to responding to the emergency or urgent public necessity identified in the notice or supplemental notice of the meeting; or
2. An agenda item listed on a notice of the meeting before the supplemental notice was posted.

An emergency or urgent public necessity exists only if immediate action is required because of:

1. An imminent threat to public health and safety, including a threat described in item 2, below, if imminent; or
2. A reasonably unforeseeable situation, including:
 - a. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
 - b. Power failure, transportation failure, or interruption of communication facilities;
 - c. Epidemic; or
 - d. Riot, civil disturbance, enemy attack, or other actual or threatened act of lawlessness or violence.

The board shall clearly identify the emergency or urgent public necessity in the notice of an emergency meeting or supplemental notice.

The sudden relocation of a large number of residents from the area of a declared disaster to a district's jurisdiction is considered a reasonably unforeseeable situation for a reasonable period immediately following the relocation.

Gov't Code 551.045

Catastrophe

A board prevented from convening an open meeting that was otherwise properly posted under Government Code Section 551.041 because of a catastrophe may convene the meeting in a convenient location within 72 hours pursuant to Government Code Section 551.045 if the action is taken in good faith and not to circumvent Government Code Chapter 551. If a board is unable to convene the open meeting within those 72 hours, the board may subsequently convene the meeting only if the board gives the required written notice of the meeting.

"Catastrophe" means a condition or occurrence that interferes physically with the ability of a board to conduct a meeting, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;
3. Epidemic; or

**Special Notice to
News Media**

A district shall provide special notice of each meeting by telephone, facsimile transmission, or electronic mail to any news media that has requested special notice and agreed to reimburse the district for the cost of providing the special notice. *Gov't Code 551.052*

The board president or board member who calls an emergency meeting or adds an emergency item to the agenda of a board meeting shall notify the news media of the emergency meeting or emergency item. The president or member is required to notify only those members of the news media that have previously filed a request containing all pertinent information for the special notice and agreed to reimburse the board for the cost of providing the special notice. Meeting by Telephone Conference Call	<p>A board may hold a meeting by telephone conference call if an emergency or public necessity exists within the meaning of Government Code 551.045 and the convening at one location of a quorum of the board is difficult or impossible, or if the meeting is held by an advisory board.</p> <p>Each part of the telephone conference call meeting that is required to be open shall be audible to the public at the location specified in the notice of the meeting. The location designated in the notice as the location of the meeting shall provide two-way communication during the entire telephone conference call meeting and the identification of each party to the telephone conference shall be clearly stated prior to speaking.</p>
Notice	The telephone conference call meeting is subject to the notice requirements applicable to other meetings. The notice must specify as the location of the meeting, the location where meetings of the governmental body are usually held.
Recording	<p>The conference call meeting shall be recorded and made available to the public.</p> <p><i>Gov't Code 551.125</i></p>
Meeting by Videoconference Call	A board member or district employee may participate remotely in a board meeting by means of a videoconference call if the video and audio feed of the board member's or employee's participation, as applicable, is broadcast live at the meeting and complies with the provisions below. A board member who participates by videoconference call shall be counted as present at the meeting for all purposes. A board member who participates in a meeting by video

conference call shall be considered absent from any portion of the meeting during which audio or video communication with the member is lost or disconnected. The board may continue the meeting only if a quorum remains present at the meeting location or, if applicable, continues to participate in a meeting conducted as specified at Multiple Counties, below. *Gov't Code 551.001(8), .127(a-1)-(a-3)*

Quorum A meeting may be held by videoconference call only if a quorum of the board is physically present at one location of the meeting, except as provided at Multiple Counties, below.

Multiple Counties A meeting of a board of a district that extends into three or more counties may be held by videoconference call only if the board member presiding over the meeting is physically present at one location of the meeting that is open to the public during the open portions of the meeting.

Notice A meeting held by videoconference call is subject to the notice requirements applicable to other meetings in addition to the notice requirements applicable to meetings by videoconference call.

The notice of a meeting to be held by videoconference call must specify as a location of the meeting the location where a quorum of the board will be physically present and specify the intent to have a quorum present at that location; the notice of a meeting held by videoconference call described above at Multiple Counties must specify as a location of the meeting the location where the board member presiding over the meeting will be physically present and specify the intent to have that member present at that location.

Gov't Code 551.127(b)-(e)

Quality of Audio and Video Signals Each portion of a meeting held by videoconference call that is required to be open to the public shall be visible and audible to the public at the location specified in the notice. If a problem occurs that causes a meeting to no longer be visible and audible to the public at that location, the meeting must be recessed until the problem is resolved. If the problem is not resolved in six hours or less, the meeting must be adjourned.

The location specified in the notice, and each remote location from which a member of the board participates, shall have two-way audio and video communication with each other location during the entire meeting. The face of each participant in the videoconference call, while that participant is speaking, shall be clearly visible, and the voice audible, to each other participant and, during the open portion of the meeting, to the members of the public in attendance

at the physical location described by the notice and at any other location of the meeting that is open to the public.

The quality of the audio and video signals perceptible at each location of the meeting must meet or exceed standards specified by the Department of Information Resources. The audio and video signals perceptible by members of the public at the location of the meeting described by the notice and at each remote location from which a member participates must be of sufficient quality so that members of the public at each location can observe the demeanor and hear the voice of each participant in the open portion of the meeting.

Gov't Code 551.127(f), (h)–(j); 1 TAC 209.10–.11

Recording

A board shall make at least an audio recording of the meeting. The recording shall be made available to the public.

Remote
Participation by the
Public

A board may allow a member of the public to testify at a meeting from a remote location by videoconference call even if a board member is not participating in the meeting from a remote location.

Gov't Code 551.127(g), (k)

**Video and Audio
Recording of
Meeting**

A board for a district that has a student enrollment of 10,000 or more shall make a video and audio recording of reasonable quality of each:

1. Regularly scheduled open meeting that is not a work session or a special called meeting; and
2. Open meeting that is a work session or special called meeting at which the board votes on any matter or allows public comment or testimony. [See BED for requirements regarding public testimony.]

The board shall make available an archived copy of the video and audio recording of each meeting on the internet not later than seven days after the date the recording was made. The board shall maintain the archived recording on the internet for not less than two years after the date the recording was first made available. A board is exempt from the requirements in this paragraph if the board's failure to make the required recording of a meeting available is the result of a catastrophe, as defined by Government Code 551.0411 [see Catastrophe, above], or a technical breakdown. Following a catastrophe or breakdown, the board must make all reasonable efforts to make the required recording available in a timely manner.

The board may make the archived recording available on an existing internet site, including a publicly accessible video-sharing or

social networking site. The board is not required to establish a separate internet site and provide access to archived recordings of meetings from that site.

A district that maintains an internet site shall make available on that site, in a conspicuous manner, the archived recording of each meeting or an accessible link to the archived recording of each such meeting.

A board may broadcast a regularly scheduled open meeting on television.

Gov't Code 551.128(b-1)–(b-6)

Internet Broadcast

A board that is not subject to the provisions above at Video and Audio Recording of Meeting may broadcast an open meeting over the internet. If a board broadcasts a meeting over the internet, it shall establish an internet site and provide access to the broadcast from that site. A board shall provide on the internet site the same notice of the meeting, within the time required for posting that notice, that the board is required to post under the Open Meetings Act. *Gov't Code 551.128(b), (c)*

Attorney Consultation

A board may use a telephone conference call, videoconference call, or communications over the internet to conduct a public consultation with its attorney in an open meeting of the board or a private consultation with its attorney in a closed meeting of the board. [See BEC]

Each part of a public consultation by a board with its attorney in an open meeting must be audible to the public at the location specified in the notice of the meeting as the location of the meeting.

Exception

This does not apply to a consultation with an attorney who is an employee of a district. An attorney who receives compensation for legal services performed, from which employment taxes are deducted by a district, is an employee of the district.

Gov't Code 551.129

Persons with Hearing Impairments

In a proceeding before a board in which the legal rights, duties, or privileges of a party are to be determined by the board after an adjudicative hearing, the board shall supply for a party who is deaf or hearing impaired an interpreter who has qualifications approved by the Texas Commission for the Deaf and Hard of Hearing.

“Deaf or hearing impaired” means having a hearing impairment, regardless of the existence of a speech impairment, that inhibits

comprehension of an examination or proceeding, or communication with others.

Gov't Code 558.001, .003

Prohibited Series of Communications

A board member commits an offense if the member:

1. Knowingly engages in at least one communication among a series of communications that each occur outside of a meeting authorized by the Open Meetings Act and that concern an issue within the jurisdiction of the board in which the members engaging in the individual communications constitute fewer than a quorum of members but the members engaging in the series of communications constitute a quorum of members; and
2. Knew at the time the member engaged in the communication that the series of communications:
 - a. Involved or would involve a quorum; and
 - b. Would constitute a deliberation once a quorum of members engaged in the series of communications.

Gov't Code 551.143

Team Building

The superintendent's participation in team building sessions as part of the board's continuing education [see BBD] shall represent one component of the superintendent's ongoing professional development. *19 TAC 61.1(b)(4)(G)*

Identifying and Reporting Abuse

An individual who holds a superintendent certificate that is renewed on or after January 1, 2021, must complete at least 2.5 hours of training every five years on identifying and reporting potential victims of sexual abuse, human trafficking, and other maltreatment of children, in accordance with Education Code 21.054(h). For purposes of this provision, "other maltreatment" has the meaning assigned by Human Resources Code 42.002. *19 TAC 232.11(g)(2); Education Code 21.054(h)*

<i>Procurement Standards</i>	The district must have and use documented procurement procedures, consistent with state, local, and tribal laws and regulations and the standards of 2 C.F.R. 200.318, for the acquisition of property or services required under a federal award or subaward. The district's documented procurement procedures [see Competition, below] must conform to the procurement standards identified in 2 C.F.R. 200.317 through 200.327.
District Procedures	
Oversight	The district must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.
Conflicts of Interest	The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. A conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the district may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, districts may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD]
Records	The district must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to, the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below] <i>2 C.F.R. 200.318(a), (b), (c)(1), (i)</i> [See 2 C.F.R. 200.334 for record retention requirements.]
<i>Financial Management</i>	The district's financial management systems, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award, must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been

used according to the federal statutes, regulations, and the terms and conditions of the federal award. [See also 2 C.F.R. 200.450 (Lobbying)]

The district's financial management system must comply with 2 C.F.R. 200.302(b). [See also 2 C.F.R. 200.334 (Retention requirements for records), .335 (Requests for transfer of records), .336 (Methods for collection, transmission and storage of information), and .337 (Access to records)]

2 C.F.R. 200.302

Internal Controls

The district must:

1. Establish and maintain effective internal control over the federal award that provides reasonable assurance that the district is managing the award in compliance with federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
2. Comply with the U.S. Constitution, federal statutes, regulations, and the terms and conditions of the award.
3. Evaluate and monitor the district's compliance with statutes, regulations and the terms and conditions of federal awards.
4. Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
5. Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency or pass-through entity designates as sensitive or the district considers sensitive consistent with applicable federal, state, local, and tribal laws regarding privacy and responsibility over confidentiality.

2 C.F.R. 200.303

"Internal controls" for districts means processes designed and implemented by districts to provide reasonable assurance regarding the achievement of objectives in the following categories:

1. Effectiveness and efficiency of operations;
2. Reliability of reporting for internal and external use; and

3. Compliance with applicable laws and regulations.

2 C.F.R. 200.1

Competition

All procurement transactions for the acquisition of property or services required under a federal award must be conducted in a manner providing full and open competition consistent with the standards of 2 C.F.R. 200.319 and 200.320 (Methods of procurement to be followed).

In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements.

The district must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this provision preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

The district must have written procedures for procurement transactions. These procedures must ensure that all solicitations meet the requirements of 2 C.F.R. 200.319(d). [See Procurement Standards, above]

The district must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the district must not preclude potential bidders from qualifying during the solicitation period.

Noncompetitive procurements can only be awarded in accordance with 2 C.F.R. 200.320(c).

2 C.F.R. 200.319

*Procurement
Methods*

The district must have and use documented procurement procedures, consistent with the standards of 2 C.F.R. 200.320 and 200.317 (Procurements by states), 200.318 (General procurement standards), and 200.319 (Competition) for any of the following methods of procurement used for the acquisition of property or services required under a federal award or sub-award. *2 C.F. Informal
Procurement
Methods

When the value of the procurement for property or services under a federal award does not exceed the simplified acquisition threshold, as defined in 2 C.F.R. 200.1, or a lower threshold established by a district, formal procurement methods are not required. The district may use informal procurement methods to expedite the completion of its transactions and minimize the associated administrative burden and cost. The informal methods used for procurement of property or services at or below the simplified acquisition threshold include:

*Micro-
Purchases—
Definitions*

“Micro-purchase” means a purchase of supplies or services, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchases comprise a subset of a district's small purchases as defined in 2 C.F.R. 200.320.

“Micro-purchase threshold” means the dollar amount at or below which a district may purchase property or services using micro-purchase procedures. Generally, the micro-purchase threshold for procurement activities administered under federal awards is not to exceed the amount set by the Federal Acquisition Regulations (FAR) at 48 C.F.R. Part 2, Subpart 2.1 [see below], unless a higher threshold is requested by the district and approved by the cognizant agency for indirect costs.

2 C.F.R. 200.1

Micro-purchase threshold means \$10,000, except as provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

*Micro-
Purchase
Distribution*

The acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold. [See the definition of “micro-purchase” above.] To the maximum extent practicable, the district should distribute micro-purchases equitably among qualified suppliers. *2 C.F.R. 200.320(a)(1)(i)*

*Micro-
Purchase
Awards*

Micro-purchases may be awarded without soliciting competitive price or rate quotations if the district considers the price to be reasonable based on research, experience, purchase history or other information and documents it files accordingly. Purchase cards can be used for micro-purchases if procedures are documented and approved by the district. *2 C.F.R. 200.320(a)(1)(ii)*

*Micro-
Purchase
Thresholds*

The district is responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. The micro-purchase threshold used by the district must be authorized or not prohibited under state, local, or tribal laws or regulations. Districts may establish a threshold higher than the federal

threshold established in the FAR in accordance with 2 C.F.R. 200.320(a)(1)(iv) and (v). *2 C.F.R. 200.320(a)(1)(iii)*

Districts may establish a threshold higher than the micro-purchase threshold identified in the FAR in accordance with the requirements of 2 C.F.R. 200.320. The district may self-certify a threshold up to \$50,000 on an annual basis and must maintain documentation to be made available to the federal awarding agency and auditors in accordance with 2 C.F.R. 200.334. The self-certification must include a justification, clear identification of the threshold, and supporting documentation of any of the following:

1. A qualification as a low-risk auditee, in accordance with the criteria in 2 C.F.R. 200.520 for the most recent audit;
2. An annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or,
3. For public institutions, a higher threshold consistent with state law.

2 C.F.R. 200.320(a)(1)(iv)

Micro-purchase thresholds higher than \$50,000 must be approved by the cognizant agency for indirect costs. The district must submit a request with the requirements included in 2 C.F.R. 200.320(a)(1)(iv). The increased threshold is valid until there is a change in status in which the justification was approved. *2 C.F.R. 200.320(a)(1)(v)*

*Small
Purchases—
Procedures*

The acquisition of property or services, the aggregate dollar amount of which is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources as determined appropriate by the district. *2 C.F.R. 200.320(a)(2)(i)*

*Small
Purchases—
Simplified
Acquisition
Thresholds*

“Simplified acquisition threshold” means the dollar amount below which a district may purchase property or services using small purchase methods. Districts adopt small purchase procedures in order to expedite the purchase of items at or below the simplified acquisition threshold. The simplified acquisition threshold for procurement activities administered under federal awards is set by the FAR at 48 C.F.R. Part 2, Subpart 2.1 [see below]. The district is responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. However, in no circumstances can this threshold exceed the dollar value established in the FAR

(48 C.F.R. Part 2, Subpart 2.1) for the simplified acquisition threshold. Recipients should determine if local government laws on purchasing apply. 2 C.F.R. 200.1, .320(a)(2)(ii)

Simplified acquisition threshold means \$250,000, except as provided by 48 C.F.R. 2.101. 48 C.F.R. 2.101

Formal
Procurement
Methods

When the value of the procurement for property or services under a federal financial assistance award exceeds the simplified acquisition threshold, or a lower threshold established by a district, formal procurement methods are required. Formal procurement methods require following documented procedures. Formal procurement methods also require public advertising unless a non-competitive procurement can be used in accordance with 2 C.F.R. 200.319 or 200.320(c). The following formal methods of procurement are used for procurement of property or services above the simplified acquisition threshold or a value below the simplified acquisition threshold the district determines to be appropriate:

Sealed Bids

A procurement method in which bids are publicly solicited and a firm fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bids method is the preferred method for procuring construction, if the conditions [*sic*].

In order for sealed bidding to be feasible, the following conditions should be present:

1. A complete, adequate, and realistic specification or purchase description is available;
2. Two or more responsible bidders are willing and able to compete effectively for the business; and
3. The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

If sealed bids are used, the following requirements apply:

1. Bids must be solicited from an adequate number of qualified sources, providing them sufficient response time prior to the date set for opening the bids, for local governments, the invitation for bids must be publicly advertised;
2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;

3. All bids will be opened at the time and place prescribed in the invitation for bids, and for local governments, the bids must be opened publicly;
4. A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
5. Any or all bids may be rejected if there is a sound documented reason.

2 C.F.R. 200.320(b)(1)

Proposals

A procurement method in which either a fixed price or cost-reimbursement type contract is awarded. Proposals are generally used when conditions are not appropriate for the use of sealed bids. They are awarded in accordance with the following requirements:

1. Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Proposals must be solicited from an adequate number of qualified offerors. Any response to publicized requests for proposals must be considered to the maximum extent practical;
2. The district must have a written method for conducting technical evaluations of the proposals received and making selections;
3. Contracts must be awarded to the responsible offeror whose proposal is most advantageous to the district, with price and other factors considered; and
4. The district may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby offeror's qualifications are evaluated and the most qualified offeror is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

Noncompetitive
Procurement

There are specific circumstances in which noncompetitive procurement can be used. Noncompetitive procurement can only be awarded if one or more of the following circumstances apply:

1. The acquisition of property or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold;
2. The item is available only from a single source;
3. The public exigency or emergency for the requirement will not permit a delay resulting from publicizing a competitive solicitation;
4. The federal awarding agency or pass-through entity expressly authorizes a noncompetitive procurement in response to a written request from the district; or
5. After solicitation of a number of sources, competition is determined inadequate.

2 C.F.R. 200.320(c)

Cooperative
Purchasing

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the federal government, the district is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services. Competition requirements will be met with applied to documented procurement actions using strategic sourcing, shared services, and other similar procurement arrangements [*sic*].
2 C.F.R. 200.318(e)

Affirmative Steps

The district must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in items 1 through 5 above.

2 C.F.R. 200.321

*Domestic
Preference*

As appropriate and to the extent consistent with law, the district should, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of 2 C.F.R. 200.322 must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this provision:

1. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
2. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

2 C.F.R. 200.322

*Pre-procurement
Review*

The district must make available upon request, for the federal awarding agency or pass-through entity pre-procurement review, procurement documents, such as requests for proposals or invitations for bids, or independent cost estimates, when:

1. The district's procurement procedures or operation fails to comply with the procurement standards in 2 C.F.R. Part 200;
2. The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation;

3. The procurement, which is expected to exceed the simplified acquisition threshold, specifies a “brand name” product;
4. The proposed contract is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or
5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

2 C.F.R. 200.325(b)

*Contract Cost
and Price*

The district must perform a cost or price analysis in connection with every procurement action in excess of the simplified acquisition threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the district must make independent estimates before receiving bids or proposals.

The district must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

Costs or prices based on estimated costs for contracts under the federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the district under 2 C.F.R. Part 200, Subpart E. The district may reference its own cost principles that comply with the federal cost principles.

The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used.

2 C.F.R. 200.324

*Contract
Provisions*

The district's contracts must contain the applicable provisions described in appendix II to 2 C.F.R. Part 200. *2 C.F.R. 200.327*

*Suspension and
Debarment*

Districts are subject to the non-procurement debarment and suspension regulations at 2 C.F.R. Part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities. *2 C.F.R. 200.214*

*Remedies for
Noncompliance*

If a district fails to comply with the U.S. Constitution, federal statutes, regulations, or the terms and conditions of a federal award, the federal awarding agency or pass-through entity may impose additional conditions, as described in 2 C.F.R. 200.208 (Specific Conditions). If the federal awarding agency or pass-through entity determines that noncompliance cannot be remedied by imposing additional conditions, the federal awarding agency or pass-through entity may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the district or more severe enforcement action by the federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
3. Wholly or partly suspend or terminate the federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a federal awarding agency).
5. Withhold further federal awards for the project or program.
6. Take other remedies that may be legally available.

2 C.F.R. 200.339

Travel Costs

Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the district. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the district's non-federally funded activities and in accordance with the district's written travel reimbursement policies.

In the absence of an acceptable, written district policy regarding travel costs, the rates and amounts established under 5 U.S.C. 5701-11 (Travel and Subsistence Expenses; Mileage Allowances), or by the administrator of general services, or by the president (or his or her designee) pursuant to any provisions of such subchapter

must apply to travel under federal awards [48 C.F.R. 31.205–46(a)].

2 C.F.R. 200.475(a), (d)

*Property
Standards*

Federally
Owned Property

Title to federally owned property remains vested in the federal government. The district must submit annually an inventory listing of federally owned property in its custody to the federal awarding agency. Upon completion of the federal award or when the property is no longer needed, the district must report the property to the federal awarding agency for further federal agency utilization.

Exempt property means property acquired under a federal award where the federal awarding agency has chosen to vest title to the property to the district without further responsibility to the federal government, based upon the explicit terms and conditions of the federal award. The federal awarding agency may exercise this option when statutory authority exists. Absent statutory authority and specific terms and conditions of the federal award, title to exempt property acquired under the federal award remains with the federal government.

2 C.F.R. 200.312(a), (c)

Property Trust
Relationship

Real property, equipment, and intangible property that are acquired or improved with a federal award must be held in trust by the district as trustee for the beneficiaries of the project or program under which the property was acquired or improved. The federal awarding agency may require the district to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with a federal award and that use and disposition conditions apply to the property. *2 C.F.R. 200.316*

Real Property

Subject to the requirements and conditions set forth in 2 C.F.R. 200.311, title to real property acquired or improved under a federal award will vest upon acquisition in the district.

Except as otherwise provided by federal statutes or by the federal awarding agency, real property will be used for the originally authorized purpose as long as needed for that purpose, during which time the district must not dispose of or encumber its title or other interests.

When real property is no longer needed for the originally authorized purpose, the district must obtain disposition instructions from the federal awarding agency or pass-through entity. The instructions must provide for one of the following alternatives:

1. Retain title after compensating the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(1).

2. Sell the property and compensate the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(2).
3. Transfer title to the federal awarding agency or to a third party designated/approved by the federal awarding agency. The district is entitled to be paid an amount calculated by applying the district's percentage of participation in the purchase of the real property (and cost of any improvements) to the current fair market value of the property.

2 C.F.R. 200.311

Equipment
Title and Use

Subject to the requirements and conditions set forth in 2 C.F.R. 200.313, title to equipment acquired under a federal award will vest upon acquisition in the district. Unless a statute specifically authorizes the federal agency to vest title in the district without further responsibility to the federal government, and the federal agency elects to do so, the title must be a conditional title. Title must vest in the district subject to the following conditions:

1. Use the equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.
2. Not encumber the property without approval of the federal awarding agency or pass-through entity.
3. Use and dispose of the property in accordance with the provisions below.

Equipment must be used by the district in the program or project for which it was acquired in accordance with 2 C.F.R. 200.313(c).

Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a federal award, until disposition takes place will, as a minimum, meet the requirements of 2 C.F.R. 200.313(d).

Disposition

If the district is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

When original or replacement equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, except as otherwise provided in federal statutes, regulations, or federal awarding agency disposition instructions, the district must request disposition instructions from the federal awarding agency if required by the terms and conditions of the fed-

eral award. Disposition of the equipment will be made as prescribed in 2 C.F.R. 200.313(e), in accordance with federal awarding agency disposition instructions.

2 C.F.R. 200.313

Supplies	Title to supplies will vest in the district upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, the district must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment under 2 C.F.R. 200.313(e)(2). <i>2 C.F.R. 200.314(a)</i>
Intangible Property	Title to intangible property acquired under a federal award vests upon acquisition in the district. The district must use that property for the originally-authorized purpose, and must not encumber the property without approval of the federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in 2 C.F.R. 200.313(e). <i>2 C.F.R. 200.315(a)</i>
Direct Grant Programs	The regulations in 34 C.F.R. Part 75 apply to each direct grant program of the DOE. <i>34 C.F.R. 75.1</i>
State-Administered Programs	The regulations in 34 C.F.R. Part 76 apply to each state-administered program of the DOE. <i>34 C.F.R. 76.1</i>
General Education Provision Act	The regulations in 34 C.F.R. Part 81 govern the enforcement of legal requirements under applicable programs administered by the DOE and implement Part E of the General Education Provisions Act (GEPA). <i>34 C.F.R. 81.1</i>

Tax Rate Adoption

Maintenance Taxes

The board may levy, assess, and collect annual ad valorem taxes for the maintenance of the district's schools. Taxes may not be levied unless authorized by a majority of the qualified voters of the district, voting at an election called for that purpose. *Education Code 45.002, .003(a)*

*Restriction on
Maintenance Tax
Levy*

A district may not increase the rate of the district's maintenance taxes to create a surplus in maintenance tax revenue for the purpose of paying the district's debt service. *Education Code 45.0021(a)* [See Taxpayer Injunction, below]

*Maintenance Tax
Rate
Components*

A district's tier one maintenance and operations tax rate is the number of cents levied by the district for maintenance and operations that does not exceed the maximum compressed rate, as determined under Education Code 48.2551.

Tier One

*Maximum
Compressed
Rate*

"MCR" is the district's maximum compressed rate, which is the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment to which the district is entitled under Education Code Chapter 48. The Texas Education Agency (TEA) shall calculate and make available school districts' maximum compressed rates.

Education Code 48.2551

School districts' maximum compressed maintenance and operations tax rates shall be calculated using locally certified property values and adjusted to estimate for exclusions under Government Code 403.302(d).

TEA will open a data collection from 12:01 a.m. on July 18 through 11:59 p.m. on August 1 for districts. Districts must submit the data specified in 19 Administrative Code 61.1000(c). TEA will use any available data to calculate MCR absent data collection submissions from a school district.

19 TAC 61.1000(b), (c), (h)

TEA will calculate and make available preliminary maximum compressed tier one tax rates to each district on or before August 5. If TEA receives an appeal of a preliminary MCR, TEA will issue a final determination to the district no later than August 31. If TEA does not receive an appeal of a preliminary MCR, the preliminary MCR automatically becomes a final MCR ten calendar days following TEA's approval of the district's preliminary MCR. *19 TAC 61.1000(d)-(f)*

A district may appeal its preliminary MCR through the following process:

LOCAL REVENUE SOURCES
AD VALOREM TAXES

CCG
(LEGAL)

1. The TEA division responsible for MCRs must receive a written appeal no later than ten calendar days after TEA's approval of the district's preliminary MCR. The appeal must include adequate evidence and additional information that supports the position of the district. Appeals received 11 calendar days or more after TEA approves a district's preliminary MCR will not be considered.
2. TEA will only consider appeals that would result in a change of the preliminary MCR.

19 TAC 61.1000(g)

Tier Two

A district's enrichment tax rate consists of:

1. Any cents of additional maintenance and operations tax effort, not to exceed eight cents over the maximum tier one tax rate; and
2. Any cents of additional maintenance and operations tax effort that exceeds the sum of the maximum tier one tax rate and the maximum number of cents permitted under item 1 above.

Education Code 45.0032(a), (b)

Districts Subject
to Disaster
Exception

For a district to which the Disaster Exception to Election Requirement described below applies, the amount by which the district's maintenance tax rate exceeds the district's voter-approval tax rate, excluding the district's current debt rate under Tax Code 26.08(n)(1)(C) for the preceding year is not considered in determining a district's tier one maintenance and operations tax rate or the district's enrichment tax rate for the current tax year. *Education Code 45.0032(d)*

*Maximum Tax
Rate*

For any year, the maintenance tax rate per \$100 of taxable value adopted by the district may not exceed the rate equal to the sum of \$0.17 and the district's maximum compressed rate, as determined under Education Code 48.2551.

A rate that exceeds the maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this provision may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Education Code 45.003(d), (e)

Districts with
2005 Tax Rate
over \$1.50

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law [Art. 2784g Tex. Rev. Civ. Stat.] may not levy a maintenance tax at a rate that

exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of 66.67 percent multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year, minus any amount by which \$1.00 exceeds the product of the state compression percentage, as determined under Education Code 48.255, multiplied by \$1.00. *Education Code 45.003(f)*

For a district described above, any cents of maintenance and operations tax effort that exceeds the maximum rate described at Maximum Tax Rate are not included in the district's tier one maintenance and operations tax rate or the district's enrichment tax rate and the district is not entitled to the guaranteed yield amount of state funds under Education Code 48.202 for those cents of tax effort. *Education Code 45.0032(c)*

Assessor and
Collector

The board may employ a person to assess or collect the district's taxes and may compensate the person as the board considers appropriate. This provision does not prohibit a district from providing for the assessment or collection of the district's taxes under a method authorized by Tax Code Chapter 6, Subchapter B. *Education Code 45.231*

A district that used a method of selection for the 1994 tax year that was authorized by former Education Code Chapter 23, Subchapter F, may continue to use that method until the district uses another method authorized above. *Education Code 45.232*

The assessor and collector shall assess, collect, or assess and collect taxes, as applicable. *Tax Code 6.23(b)*

Collector's Bond

A district that has its own collector shall require the collector to give bond conditioned on the faithful performance of duties. The bond must be made payable to and be approved by the board in an amount determined by the board. The board may require a new bond at any time, and failure to give new bond within a reasonable time after demand is a ground for removal from office. The board may prescribe additional requirements for the bond.

A district whose taxes are collected by a person other than the district's own collector may require that person to give bond conditioned on the faithful performance of duties. The bond must be payable to, approved by, and paid for by the board in an amount determined by the board. The board may prescribe additional requirements for the bond.

A district shall pay the premium for a required bond from its general fund or as provided by intergovernmental contract.

Truth-in-Taxation
Requirements

Note: The *Truth in Taxation* website maintained by the Texas comptroller of public accounts offers [detailed guidance on setting local property tax rates for school districts](#).¹

*Traditional
Method*

When the budget has been prepared under Education Code 44.002, the board president shall call a meeting of the board for the purpose of adopting a budget for the succeeding tax year. The budget must be adopted before the adoption of the tax rate for the tax year in which the fiscal year covered by the budget begins. *Education Code 44.004(a), (g)* [See CE]

Published Notice

The board president shall provide for publication of notice of the budget and proposed tax rate meeting in a daily, weekly, or bi-weekly newspaper published in the district. If no daily, weekly, or biweekly newspaper is published in the district, the president shall provide for publication of notice in at least one newspaper of general circulation in the county in which the district's central administrative office is located. The notice shall be published not earlier than the 30th day or later than the tenth day before the date of the hearing.

Form and
Contents

The notice of public meeting to discuss and adopt the budget and the proposed tax rate may not be smaller than one-quarter page of a standard-size or a tabloid-size newspaper, and the headline on the notice must be in 18-point or larger type and contain the information set out in Education Code 44.004(c) and (c-1).

The notice must include a statement that a district may not increase its maintenance and operations tax rate to create a surplus in maintenance and operations tax revenue for the purpose of paying the district's debt service.

A notice is not valid if it does not substantially conform to the language and format prescribed by the comptroller.

Education Code 44.004(b)–(d)

Debt Service
Rate Decrease

If the published interest and sinking fund (debt service) rate decreases after the publication of the required notice, the president is not required to publish another notice or call another meeting to discuss and adopt the budget and the proposed lower tax rate. *Education Code 44.004(g-1)*

*Districts with
July 1 Fiscal Year*

Notwithstanding the provisions above, a district with a fiscal year beginning July 1 may use the certified estimate of the taxable value of district property in preparing the required notice if the district

does not receive the certified appraisal roll on or before June 7. A district that uses a certified estimate may adopt a budget at the public meeting designated in the published notice prepared using the estimate, but the district may not adopt a tax rate before the district receives the certified appraisal roll for the district.

After receipt of the certified appraisal roll, a district must publish a revised notice and hold another public meeting before the district may adopt a tax rate that exceeds:

1. The rate proposed in the notice prepared using the estimate; or
2. The district's voter-approval rate determined under Tax Code 26.08 using the certified appraisal roll.

Education Code 44.004(h), (i)

*Early Adoption
Method*

Notwithstanding the provisions above or at Deadline below, a district may adopt a budget after the district adopts a tax rate for the tax year in which the fiscal year covered by the budget begins if the district elects to adopt a tax rate before receiving the certified appraisal roll for the district. If a district elects to adopt a tax rate before adopting a budget, the district must publish notice and hold a meeting for the purpose of discussing the proposed tax rate as provided above. Following adoption of the tax rate, the district must publish notice and hold another public meeting before the district may adopt a budget. The comptroller shall prescribe the language and format to be used in the notices. The district may use the certified estimate of taxable value in preparing a notice under this provision. *Education Code 44.004(j)*

The board of a district that elects to adopt a tax rate before the adoption of a budget for the fiscal year that begins in the current tax year may adopt a tax rate for the current tax year before receipt of the certified appraisal roll for the district if the chief appraiser of the appraisal district in which the district participates has certified to the assessor for the district an estimate of the taxable value of property in the district as specified at Certified Estimate of Values above. If a district adopts a tax rate under this provision, the non-revenue tax rate and the voter-approval tax rate of the district shall be calculated based on the certified estimate of taxable value. *Tax Code 26.05(g)*

Tax Rate Adoption
Requirements

Deadline

The board shall adopt a tax rate for the current tax year and shall notify the assessor of the tax rate adopted. [See Adoption of Tax Roll, below] The board must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the district, except that the board must adopt a

tax rate that exceeds the voter-approval tax rate not later than the 71st day before the next uniform election date that occurs in November of that year. [Note that Election Code 3.005(c) requires that an election to be held on a uniform date be ordered not later than the 78th day before election day; see Time for Election, below.]

The tax rate consists of two components, each of which must be approved separately. The components are:

1. The interest and sinking fund (debt service) rate calculated under Education Code 44.004(c)(5)(A)(ii)(b); and
2. The rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the district for the next year.

Tax Code 26.05(a)

Tax Date for
Certain Districts

A district that before January 1, 1989, has for at least ten years followed a practice of adopting its tax rate at a different date than as provided by Tax Code Chapter 26 and of billing for and collecting its taxes at different dates than as provided by Chapters 31 and 33 may continue to follow that practice. This does not affect the dates provided by the Property Tax Code (Tax Code Title 1) for other purposes, including those relating to the appraisal and taxability of property, the attachment of tax liens and personal liability for taxes, and administrative and judicial review under Chapters 41 and 42.

Tax Code 26.135

Vote

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's no-new-revenue maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order.

Motion

A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate."

*Language and
Internet Posting*

If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund

maintenance and operation expenditures of the district that exceeds the amount of taxes imposed for that purpose in the preceding year the district must:

1. Include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:
 - a. The following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."; and
2. Include on the home page of any internet website operated by the district:
 - a. The following statement: "(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

Tax Code 26.05(b)

Adoption of Tax Roll

On receipt of notice of the tax rate for the current tax year, the assessor for a district shall calculate the tax imposed on each property included on the appraisal roll for the district. The assessor shall enter the amount of tax in the appraisal roll and submit it to the board for approval. The appraisal roll with amounts of tax entered as approved by the board constitutes the district's tax roll.

It is a defense in an action for an injunction under this provision that the failure to comply was in good faith. *Tax Code 26.04(g)*

A person who owns taxable property is entitled to an injunction restraining the collection of taxes by a district in which the property is taxable if the district has not complied with the requirements of Tax Code 26.04 and 26.05 [see above at Designated Employee/Officer to Calculate Rates and Tax Rate Adoption Requirements]. It is a defense in an action for an injunction under this provision that the failure to comply was in good faith. An action to enjoin the collection of taxes must be filed not later than the 15th day after the date the district adopts a tax rate. A property owner is not required to pay the taxes imposed by a district on the owner's property while an action filed by the property owner to enjoin the collection of taxes imposed by the district on the owner's property is pending. “Efficiency audit” means an investigation of the operations of a district to examine fiscal management, efficiency, and utilization of resources.

The board shall conduct an efficiency audit before seeking voter approval to adopt a tax rate for the maintenance and operations of the district at an election held for that purpose and may not hold an election without complying with this requirement.

Disaster Exception	The board of a district all or part of which is located in an area declared a disaster area by the governor may hold an election to seek voter approval to adopt a maintenance and operations tax rate during the two-year period following the date of the declaration without conducting an efficiency audit otherwise required above. <i>Education Code 11.184(b-1)</i>

A tax rate adopted under this provision applies only in the year for which the rate is adopted. If a district adopts a tax rate under this provision, the amount by which that rate exceeds the district's voter-approval tax rate for that tax year may not be considered when calculating the district's voter-approval tax rate for the tax year following the year in which the district adopts the rate. <i>Tax Code 26.08(a-1)</i>
Time for Election	The board shall order that the election be held in the district on the next uniform election date prescribed by Election Code 41.001 that occurs after the date of the election order and that allows sufficient time to comply with the requirements of other law. <i>Tax Code 26.08(b)</i>

TEA will base the financial accountability rating of a district on its overall performance on the financial measurements, ratios, and other indicators established by the commissioner. Financial accountability ratings for a rating year are based on the data from the immediate prior fiscal year.

A financial accountability rating remains in effect until replaced by a subsequent rating.

19 TAC 109.1001(b), (e), (l)

Issuance of Ratings

TEA will issue a preliminary financial accountability rating to a district on or before August 8 of each year. TEA will not delay the issuance of a preliminary or final rating if a district fails to meet the statutory deadline under Education Code 44.008 for submitting the annual financial report (AFR). Instead, the district will receive an F rating for substandard achievement.

Appeals

A district may appeal its preliminary financial accountability rating through the appeals process described at 19 Administrative Code 109.1001(n).

If TEA receives an appeal of a preliminary rating, TEA will issue a final rating to the district no later than 60 days after the deadline for submitting appeals. If TEA does not receive an appeal of a preliminary rating, the preliminary rating automatically becomes a final rating 31 days after issuance of the preliminary rating.

A final rating issued by TEA may not be appealed under Education Code 7.057 or any other law or rule.

Lockdown: A response action schools take to secure interior portions of school buildings and grounds during incidents that pose an immediate threat of violence inside the school. The primary objective is to quickly ensure all school students, staff, and visitors are secured away from immediate danger.

Evacuate: A response action schools take to quickly move students and staff from one place to another. The primary objective of an evacuation is to ensure that all staff, students, and visitors can quickly move away from the threat. Evacuation examples include a bomb threat or internal gas leak.

Shelter-in-place for hazmat: A response action schools take to quickly move students, staff, and visitors indoors, perhaps for an extended period of time, because it is safer inside the building than outside. Affected individuals may be required to move to rooms without windows or to rooms that can be sealed. Shelter-in-place for hazmat examples include train derailment with chemical release or smoke from a nearby fire.

Shelter for severe weather: A response action schools take to quickly move students, staff, and visitors indoors, perhaps for an extended period of time, because it is safer inside the building than outside. For severe weather, depending on the type and/or threat level (watch versus warning), affected individuals may be required to move to rooms without windows on the lowest floor possible or to a weather shelter.

Fire evacuation drill: A method of practicing how a building would be vacated in the event of a fire. The purpose of fire drills in buildings is to ensure that everyone knows how to exit safely as quickly as possible.

Frequency Education Code 37.114(2) requires the commissioner of education to designate the number of mandatory school drills to be conducted each semester of the school year, not to exceed eight drills each semester and sixteen drills for the entire school year. Neither 19 Administrative Code 103.1029, nor the law, precludes a district from conducting more drills as deemed necessary and appropriate by the district. Following is the required minimum frequency of drills by type:

1. Secure (Lockout)—One per school year.
2. Lockdown—Two per school year (once per semester).
3. Evacuate—One per school year.
4. Shelter-in-place for hazmat—One per school year.
5. Shelter for severe weather—One per school year.
6. Fire evacuation drill—Four per school year (two per semester). In addition, districts should consult with their local fire marshal and comply with their local fire marshal's requirements and recommendations.

Claims for Reimbursement

Internal Controls

The school food authority shall establish internal controls which ensure the accuracy of meal counts prior to the submission of the monthly claim for reimbursement under the NSLP or the SBP, as applicable. At a minimum, these internal controls shall include an on-site review of the meal counting and claiming system employed by each school within the jurisdiction of the SFA; comparisons of daily free, reduced-price, and paid meal counts against data which will assist in the identification of meal counts in excess of the number of free, reduced-price, and paid meals served each day to children eligible for such meals; and a system for following up on those meal counts which suggest the likelihood of meal counting problems. *7 C.F.R. 210.8(a), 220.11(a)*

On-Site Reviews

Every school year, each SFA with more than one school shall perform no less than one on-site review of the counting and claiming system and the readily observable general areas of review cited under *7 C.F.R. 210.18(h)* [regarding general areas of review by the Texas Department of Agriculture (TDA)] for each school under its

jurisdiction under the NSLP, and for a minimum of 50 percent of schools under its jurisdiction with every school being reviewed at least once every two years under the SBP.

The on-site review shall take place prior to February 1 of each school year. Further, if the review discloses problems with a school's meal counting or claiming procedures or general review areas, the SFA shall ensure that the school implements corrective action and, within 45 days of the review, conduct a follow-up on-site review to determine that the corrective action resolved the problems. Each on-site review shall ensure that the school's claim is based on the counting system and that the counting system, as implemented, yields the actual number of reimbursable free, reduced price, and paid meals, respectively, served for each day of operation.

**Community
Eligibility Provision**

The community eligibility provision (CEP) is an alternative reimbursement option for eligible high-poverty districts. Each CEP cycle lasts up to four years before the LEA or school is required to recalculate their reimbursement rate. LEAs and schools have the option to recalculate sooner, if desired. An LEA may elect this provision for all of its schools, a group of schools, or an individual school. Participating LEAs must offer free breakfasts and lunches for the length of their CEP cycle, not to exceed four successive years, to all children attending participating schools and receive meal reimbursement based on claiming percentages, as described in 7 C.F.R. 245.9(f)(4)(v). 7 C.F.R. 245.9(f); 42 U.S.C. 1759a(a)(1)(F)

To be eligible to participate in the CEP, an LEA, group of schools, or school must:

1. Have an identified student percentage of at least 40 percent, as of April 1 of the school year prior to participating in the CEP, unless otherwise specified by the USDA Food and Nutrition Service (FNS). Individual schools participating in a group may have less than 40 percent identified students, provided that the average identified student percentage for the group is at least 40 percent.
2. Participate in the NSLP and SBP for the duration of the four-year cycle. Schools that operate on a limited schedule, where it is not operationally feasible to offer both lunch and breakfast, may elect CEP with FNS approval.
3. Comply with the procedures and requirements specified in 7 C.F.R. 245.9(f)(4) to participate in the CEP.

Validity of
Emergency Permit

The validity date of an activated and authorized emergency permit is specified in 19 Administrative Code 230.97 (Effective Dates of Certificates and Permit Issuance).

An emergency permit is valid for the remainder of the school year for which it is activated and authorized by SBEC. The emergency permit must be submitted to TEA within 45 instructional days from the date of assignment. A permit authorized by SBEC is valid for service only in the requesting district and only for the assignments indicated on the emergency permit application.

Effective with the 2017–18 school year, the employment of an individual on an emergency permit, with the exception of the assignment as a JROTC instructor or a teacher of students with visual impairments may not exceed one school year in the same assignment. [See One-Year Limitation, below]

Prior to the 2017–18 school year, the individual may serve in a specific assignment no more than one additional school year beyond the initial emergency permit. To continue beyond the initial emergency permit year, the individual must comply with the renewal provisions specified in 19 Administrative Code 230.81. [See Renewal Requirements and Procedures, below]

Effective with the 2017–18 school year, to continue employment in the assignment beyond the validity of the initial emergency permit, the individual must hold the appropriate certificate, in accordance with 19 Administrative Code, Chapter 231 (Requirements for Public School Personnel Assignments). An individual may not serve as a

classroom teacher of record in the district for more than three school years without obtaining initial, standard certification.

19 TAC 230.73

One-Year Limitation Effective with the 2017–18 school year, an emergency permit will limit an individual to one year of service and no renewal will be allowed.

Exceptions The one-year limitation does not apply to individuals serving in the position of Junior Reserve Officer Training Corps (JROTC) instructor or teachers of students with visual impairments.

As indicated in 19 Administrative Code 230.77(g)(4)(B), emergency permits for JROTC instructors must be reissued every year.

Emergency permits for teachers of students with visual impairments referenced in 19 Administrative Code 230.77(f)(2)(B) may be renewed a maximum of two years.

19 TAC 230.71(b), (c)

Renewal Requirements and Procedures Effective with the 2017–18 school year, these renewal provisions no longer apply for emergency permits, with the exception of teachers of students with visual impairments. *19 TAC 230.73(f)*

A superintendent, designee, or authorized representative may renew an emergency permit for the same assignment in the same district for which the initial emergency permit was activated.

No individual may continue in the same assignment for more than one school year of service on an emergency permit, except that emergency permits used fewer than 90 calendar days may be renewed for one additional year of service, if needed.

The total of semester credit hours or the equivalent contact hours required to obtain certification appropriate for the assignment shall determine the number of emergency permit renewals for which the individual may be eligible.

For six semester credit hours or less plus appropriate examination requirements, an individual is not eligible for renewal.

For seven semester credit hours or more plus appropriate examination requirements, an individual is eligible for one renewal.

The superintendent or his or her designee or authorized representative may renew an emergency permit provided the following requirements and procedures are met:

1. The emergency permit must be renewed for the same assignment in the same school district.

number, emergency contact information, or social security number, or that reveals whether the person has family members.

*Employee Right
of Access*

All information in the personnel file of a district employee shall be made available to that employee or the employee's designated representative as public information is made available under the Public Information Act. An employee or an employee's authorized representative has a special right of access, beyond the right of the general public, to information held by a district that relates to the employee and that is protected from public disclosure by laws intended to protect the employee's privacy interests.

A district may not deny to the employee or his or her representative access to information relating to the employee on the grounds that the information is considered confidential by privacy principles under the Public Information Act. A district may assert as grounds for denial of access other provisions of the Public Information Act or other laws that are not intended to protect the employee's privacy interests.

If a district determines that information in the employee's records is exempt from disclosure under an exception of Government Code Chapter 552, Subchapter C, other than an exception intended to protect the privacy interest of the requestor or the person whom the requestor is authorized to represent, it shall submit a written request for a decision to the attorney general before disclosing the information. **Incentive Grants—
Contract Provision**

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

**Educator Excellence
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
 - a. The results of classroom observation, which may include student comments;
 - b. The degree of student educational growth and learning; and
 - c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders, 542 U.S. 129 (2004)*

Prevention

A district should take all steps necessary to prevent unlawful harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. *29 C.F.R. 1604.11(f)*

"Undue hardship" means more than a *de minimus* (minimal) cost. *42 U.S.C. 2000e(j); 29 C.F.R. 1605.2; Labor Code 21.108*

Discrimination Based on Lack of Disability The ADA and the TCHRA do not provide a basis for a claim that an individual was subject to discrimination because of the individual's lack of disability. *42 U.S.C. 12201(g); 29 C.F.R. 1630.4(b); Labor Code 21.005(c)*

Definition of Disability "Disability" means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual's major life activities;
2. A record of having such an impairment; or
3. Being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

"Regarded as" Having an Impairment An individual meets the requirement of being "regarded as" having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and Minor The "regarded as" prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one

with an actual or expected duration of six months or less. The “transitory” exception does not apply to the “actual disability” or “record of disability” prongs of the definition.

*Mitigating
Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

- High School Diploma** A student may graduate and receive a diploma only if the student:
1. Successfully completes the curriculum requirements identified by the State Board of Education (SBOE) [see State Graduation Requirements, below], has performed satisfactorily on applicable state assessments [see EKB], and complies with the financial aid application requirements in Education Code 28.0256 [see below]; or
 2. Successfully completes an individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]
- Education Code 28.025(c)*

Note: Education Code 28.0256 applies beginning with students enrolled at the 12th grade level during the 2021–22 school year.

- FAFSA Required** Before graduating from high school, each student must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA).
- A student is not required to comply with the above provision if:
1. The student's parent or other person standing in parental relation submits a signed form indicating that the parent or other person authorizes the student to decline to complete and submit the financial aid application;
 2. The student signs and submits the form described above on the student's own behalf if the student is 18 years of age or older or the student's disabilities of minority have been removed for general purposes under Family Code Chapter 31; or
 3. A school counselor authorizes the student to decline to complete and submit the financial aid application for good cause, as determined by the school counselor.

A district shall adopt a form to be used for purposes of this provision. The form must be approved by the Texas Education Agency (TEA) and made available in English, Spanish, and any other language spoken by a majority of the students enrolled in a bilingual education or special language program under Education Code Subchapter B, Chapter 29, in the district.

If a school counselor notifies a district whether a student has complied with this section for purposes of determining whether the student meets high school graduation requirements under Education Code 28.025, the school counselor may only indicate whether the

student has complied with this section and may not indicate the manner in which the student complied.

Education Code 28.0256

Note: Education Code 28.0258 and 19 Administrative Code 74.1025 related to individual graduation committees expire September 1, 2023.

Individual
Graduation
Committee

Without complying with the requirements above, a student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
 - a. The student's parent or person standing in parental relation to the student;
 - b. A designated advocate if the parent is unable to serve; or
 - c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

Education Code 28.0258(a)–(c), (c-2); 19 TAC 74.1025(b)

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

19 TAC 74.1025(c), (e), (g)–(i)

Notice

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish, or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum
Requirements*

To be eligible to graduate and receive a high school diploma from the IGC, a student must successfully complete the curriculum requirements required for high school graduation. [See State Graduation Requirements, below] *Education Code 28.0258(e)*

*Additional
Requirements to
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

Education Code 28.0258(f), (g)

In determining whether a student is qualified to graduate, the committee shall consider the criteria at Education Code 28.0258(h) and any other academic information designated for consideration by the board. After considering the criteria, the committee may determine that the student is qualified to graduate. A student may graduate and receive a high school diploma on the basis of the committee's decision only if the student successfully completes all additional requirements recommended by the committee, the student meets applicable curriculum requirements, and the committee's vote is unanimous. The decision of a committee is final and may not be appealed. *Education Code 28.0258(i)*

Posthumous Diploma	Beginning with students who would have graduated at the end of the 2019–20 school year, and on request of the student's parent, a district shall issue a high school diploma posthumously to each student who died while enrolled in the district at the end of the school year in which the student was expected to graduate under the regular schedule of school attendance. The high school diploma may

not be issued before the graduation date of the class in which the student was enrolled at the time of death.

Exception

A district is not required to issue a posthumous diploma if the student was convicted of a felony offense under Title 5 or 6, Penal Code, or adjudicated as having engaged in conduct constituting a felony offense under Title 5 or 6, Penal Code.

Education Code 28.0254

2. Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level 9, as determined by a district.

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];

4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
5. Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

*Students
Receiving
Special
Education
Services*

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and
2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by

Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

Education Code 28.02121

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

State Graduation Requirements

Note: For current state graduation requirements, including those for students who entered grade 9 before the 2007–08 school year but that are not otherwise referenced in this policy, see Education Code 28.025 and 19 Administrative Code Chapter 74.

2. Testing requirements for graduation under 19 Administrative Code Chapter 101 [see EKB]; and
3. Demonstrated proficiency, as determined by the district, in delivering clear verbal messages; choosing effective nonverbal behaviors; listening for desired results; applying valid critical-thinking and problem-solving processes; and identifying, analyzing, developing, and evaluating communication skills needed for professional and social success in interpersonal situations, group interactions, and personal and professional presentations.

A student shall enroll in the courses necessary to complete the curriculum requirements for the foundation high school program and the curriculum requirements for at least one endorsement.

A course completed as part of the four courses needed to satisfy an endorsement requirement may also satisfy a requirement under the foundation high school program, including an elective requirement. The same course may count as part of the set of four courses for more than one endorsement.

A district shall permit a student to enroll in courses under more than one endorsement before the student's junior year and to choose, at any time, to earn an endorsement other than the endorsement the student previously indicated.

A student must earn at least 26 credits to earn an endorsement, but a student is not entitled to remain enrolled to earn more than 26 credits.

A district may define advanced courses and determine a coherent sequence of courses for an endorsement area, provided that prerequisites in 19 Administrative Code Chapters 110–118, 126, 127, and 130 are followed.

Education Code 28.025; 19 TAC 74.13

*Algebra II
Notification*

Not later than September 1 of each school year, a district shall notify by regular mail or email the parent of or other person standing in parental relation to each student enrolled in grade 9 or above that the student is not required to complete an Algebra II course to

graduate under the foundation high school program. The notification must include information regarding the potential consequences to a student of not completing an Algebra II course, including the impact on eligibility for:

1. Automatic college admission under Education Code 51.803; and
2. Certain financial aid authorized under Title 3 of the Education Code.

Education Code 28.02123

Prerequisites

A student may not be enrolled in a course that has a required prerequisite unless:

1. The student has completed the prerequisite course(s);
2. The student has demonstrated equivalent knowledge as determined by the district; or
3. The student was already enrolled in the course in an out-of-state, an out-of-country, or a Texas nonpublic school and transferred to a Texas public school prior to successfully completing the course.

A district may award credit for a course a student completed without having met the prerequisites if the student completed the course in an out-of-state, an out-of-country, or a Texas nonpublic school where there was not a prerequisite.

19 TAC 74.11(i)–(j)

*Dual Credit
Courses*

Courses offered for dual credit at or in conjunction with an institution of higher education (IHE) that provide advanced academic instruction beyond, or in greater depth than, the essential knowledge and skills for the equivalent high school course required for graduation may satisfy graduation requirements, including requirements for required courses, advanced courses, and courses for elective credit as well as requirements for endorsements. *19 TAC 74.11(h)*

*Core Curriculum
College Courses*

A district shall permit a student to comply with the curriculum requirements under the foundation high school program by successfully completing appropriate courses in the core curriculum of an IHE. A student who has completed the core curriculum of an IHE in accordance with Education Code 61.822, as certified by the IHE in accordance with Education Code 4.28:

1. Is considered to have earned an endorsement by successfully completing the appropriate courses for that endorsement;

2. Is considered to have earned a distinguished level of achievement under the foundation high school program; and
3. Is entitled to receive a high school diploma.

19 TAC 74.11(n)

*Languages Other
Than English*

Students may earn credit for languages other than English in accordance with 19 Administrative Code 74.12(b)(5).

A student who successfully completes a dual language immersion program may satisfy one credit of the two credits required in a language other than English in accordance with 19 Administrative Code 74.12(b)(5)(F).

19 TAC 74.12(b)(5)

A student who successfully completes a course in American Sign Language while in elementary school may satisfy one credit of the two credits required in a language other than English. *19 TAC 74.12(b)(5)(G)*

*Physical
Education
Substitutions*

*Other Physical
Activity*

In accordance with local district policy, the required physical education credit may be earned through completion of any TEKS-based course that is not being used to satisfy another specific graduation requirement. [See Restrictions, below]

In accordance with local district policy, credit for any physical education course may be earned through participation in the following activities:

1. Athletics;
2. JROTC; and
3. Appropriate private or commercially sponsored physical activity programs conducted on or off campus. A district must apply to the commissioner of education for approval of such programs, which may be substituted for state graduation credit in physical education. Such approval may be granted under the following conditions:
 - a. Olympic-level participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. Students qualifying and participating at this level may be dismissed from school one hour per day. Students dismissed may not miss any class other than physical education.

- b. Private or commercially sponsored physical activities include those certified by the superintendent to be of high quality and well supervised by appropriately trained instructors. Student participation of at least five hours per week must be required. Students certified to participate at this level may not be dismissed from any part of the regular school day.

In accordance with local district policy, up to one credit for any one of the physical education courses listed in 19 Administrative Code Chapter 74 [see EHAC] may be earned through participation in any of the following activities:

1. Drill team;
2. Marching band; and
3. Cheerleading.

Restrictions

All substitution activities permitted by local district policy must include at least 100 minutes of moderate to vigorous physical activity per five-day school week.

No more than four substitution credits may be earned through any combination of substitutions listed above.

Student with
Disability or
Illness

A student who is unable to participate in physical activity due to disability or illness may substitute an academic elective credit in English language arts, mathematics, science, social studies or a course that is offered for credit as provided by Education Code 28.002(g-1) for the required physical education credit. A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or
3. A committee, established by the district, of persons with appropriate knowledge regarding the student if each of the committees described above is inapplicable. This committee must

follow the same procedures required of an ARD or a Section 504 committee.

Education Code 28.025(b-10)–(b-11); 19 TAC 74.12(b)(6)

*Community-
Based Fine Arts
Programs*

In accordance with local district policy, the required fine arts credit may be earned through participation in a community-based fine arts program not provided by the school district in which the student is enrolled.

In accordance with local policy, credit may be earned through participation in the community-based fine arts program only if the program meets each of the following requirements:

1. The district must apply to the commissioner for approval of the community-based fine arts program;
2. The board must certify that the program provides instruction in the essential knowledge and skills for fine arts as defined by 19 Administrative Code, Chapter 117, Subchapter C;
3. The district must document student completion of the approved activity;
4. The program must be organized and monitored by appropriately trained instructors;
5. The fine arts program may be provided on or off a school campus and outside the regular school day; and
6. Students may not be dismissed from any part of the regular school day to participate in the community-based fine arts program.

Summary of
Academic
Achievement and
Evaluation

All students graduating must be provided with a summary of academic achievement and functional performance as described in 34 C.F.R. 300.305(e)(3). This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1) (evaluation to determine that the child is no longer a child with a disability), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070 (b)(2)(A), (B), or (C) or (g)(4)(A), (B), or (C). Students who participate in graduation ceremonies but who are not graduating under subsections (b)(2)(A), (B), or (C) or (g)(4)(A), (B), or (C) and who will remain in school to complete their education do not have to be evaluated. *19 TAC 89.1070(h)–(i)*

*Students
Entering Grade 9
in or After the
2014–15 School

The student must also successfully complete the student's IEP and meet one of the following conditions:

- a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.
- b. Consistent with the IEP, the student has demonstrated mastery of specific employability skills and self-help skills that do not require direct ongoing educational support of the local school district.
- c. The student has access to services that are not within the legal responsibility of public education or employment or educational options for which the student has been prepared by the academic program.
- d. The student no longer meets age eligibility requirements.

When a student receives a diploma under item 2(a), (b), or (c), above, the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age eligibility requirements.

2. Successfully completing all curriculum requirements for that endorsement adopted by the SBOE:

- a. Without modification of the curriculum; or
- b. With modification of the curriculum, provided that the curriculum, as modified, is sufficiently rigorous as determined by the student's ARD committee.

The ARD committee of a student in a special education program shall determine whether the student is required to achieve satisfactory performance on an end-of-course assessment instrument to earn an endorsement on the student's transcript.

A student transitioning to the Foundation High School Program may earn an endorsement as set out above [see Endorsements, above].

A student receiving special education services in 11th or 12th grade who has taken each of the required state assessments but failed to achieve satisfactory performance on no more than two of the assessments may graduate if the student has satisfied all other applicable graduation requirements. Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Student Who Is
Homeless or in
Conservatorship of
DFPS**

If an 11th or 12th grade student who is homeless or in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred. *Education Code 28.025(i)*

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Limited English Proficient Students

In grades 3–12, a limited English proficient (LEP) student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student’s admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student’s performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student’s developmental level as determined by the student’s ARD committee.

The student’s ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

*Alternate Test
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate

test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

**Notice to Parents
and Students**

A superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of:

1. The testing requirements for grade advancement [see EIE] and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's kindergarten year, for students attending kindergarten in the district, and no later than the beginning of the student's first-grade year for all other students. The superintendent shall also provide such notice for students in grades 1–8 who are new to the district.
2. The testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The superintendent shall also provide such notice for students in grades 7–12 who are new to the district. Notice of the dates, times, and locations of testing shall be

provided to each student who will take the tests and to out-of-school individuals.

19 TAC 101.3012

**Testing in
Grades 3–8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (LEP students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Writing, including spelling and grammar, in grades 4 and 7;
4. Social studies in grade 8;
5. Science in grades 5 and 8; and
6. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3–8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument above the student's grade level.

Education Code 28.0211(o)–(p), 39.023(a-2); 19 TAC 101.3011(a)(1)–(4)

Kindergarten
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten
Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

**End-of-Course
Assessments**

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be administered with the aid of technology, but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must pro-

vide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled
Below High School
Level

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment
Requirements for
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

Exceptions

English I or
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

Credits Earned
Prior to
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a

course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022

Substitute
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a TSI assessment also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSI as a substitute assessment.

Accountability
Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

*Verification of
Results*

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Satisfactory
Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual
Graduation
Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to re-take and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the

IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

Beginning with the 2011–12 school year, all grades 9–12 students with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 Administrative Code 101.3011(b)(2).

19 TAC 101.3023(a), (b)

Credit by
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State
Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Reporting Results
To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board	<p>A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.</p>
To Parents, Students, and Teachers	<p>A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or school. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]</p> <p><i>19 TAC 101.3014</i></p> <p>TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. <i>Education Code 39.0233(b)</i></p>
Parents Right-to-Know Under ESEA	<p>As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. <i>20 U.S.C. 6312(e)(1)(B)(i)</i></p>
Parental Access	<p>A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. <i>Education Code 26.005, .006(a)(2)</i></p>
Out-of-State Transfers	<p>A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.</p>

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014

**Accelerated
Instruction**

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) in the third, fourth, fifth, sixth, seventh, or eighth grade, the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area. Accelerated instruction may require participation of the student before or after normal school hours and may include participation at times of the year outside normal school operations. *Education Code 28.0211(a-1)*

A district shall provide each student who fails to perform satisfactorily on an EOC assessment instrument with accelerated instruction in the subject assessed by the assessment instrument. *Education Code 39.025(b-1)* [See EHBC]

College Readiness

Each district shall partner with at least one institution of higher education to develop and provide courses in college preparatory mathematics and English language arts. The courses must be designed:

1. For students at the grade 12 level whose performance on:
 - a. An EOC assessment instrument required under Education Code 39.023(c) does not meet college readiness standards; or
 - b. Coursework, a college entrance examination, or an assessment instrument designated under Education Code 51.334(a) indicates that the student is not ready to perform entry-level college coursework; and
2. To prepare students for success in entry-level college courses.

A course must be provided on the campus of the high school offering the course or through distance learning or as an online course provided through the institution of higher education with which the district partners.

Faculty Appropriate faculty of each high school offering courses and appropriate faculty of each institution of higher education with which the district partners shall meet regularly as necessary to ensure that each course is aligned with college readiness expectations.

Notice Each district shall provide a notice to each eligible student and the student's parent or guardian regarding the benefits of enrolling in a course.

Credit Earned A student who successfully completes an English language arts course may use the credit earned toward satisfying the advanced English language arts curriculum requirement for the foundation high school program under Education Code 28.025(b-1)(1). A student who successfully completes a mathematics course may use the credit earned in the course toward satisfying an advanced mathematics curriculum requirement under Education Code 28.025 after completion of the mathematics curriculum requirements for the foundation high school program under Education Code 28.025(b-1)(2).

Dual Credit A course may be offered for dual credit at the discretion of the institution of higher education with which a district partners.

Instructional Materials Each district, in consultation with the institution of higher education with which the district partners, shall develop or purchase instructional materials for a course consistent with Education Code Chapter 31.  - b. Received annual training in test security and test administration procedures; and
 - c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and
5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;

Limitations on Exemptions

First Year After Enrollment

A LEP student may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to one year after initial enrollment in a school in the United States if the student has not demonstrated proficiency in English as determined by the assessment system developed to evaluate academic progress of a LEP student. *Education Code 39.027(a)(1)*

Subsequent Years

A LEP student granted the initial exemption period above may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to:

1. An additional two years if the student is a recent unschooled immigrant or is in a grade for which no assessment instrument in the primary language of the student is available; or

Linguistically
Accommodated
Assessments

An English language learner in grade 3 or higher may be administered the linguistically accommodated English version of the state’s mathematics, science, or social studies assessment if:

1. A Spanish-version assessment does not exist or is not the most appropriate measure of the student’s academic progress;
2. The student has not yet demonstrated English language proficiency in reading as determined by the English language proficiency assessments required above [see English Language Proficiency Tests, above]; and
3. The student has been enrolled in U.S. schools for three school years or less or qualifies as an unschooled asylee or refugee enrolled in U.S. schools for five school years or less [see Definitions, above].

**End-of-Course
Assessments**

An English language learner shall participate in the end-of-course assessments as required by Education Code 39.023(c) and, except as provided below, shall be administered the general form of the English-version state assessment. *19 TAC 101.1005(b)*

19 TAC 101.1007(a), (b)

Non-LEP Students

School districts may administer the assessment of academic skills in Spanish to a student who is not identified as limited English proficient but who participates in a bilingual program if the LPAC determines the assessment in Spanish to be the most appropriate measure of the student's academic progress. *19 TAC 101.1005(g)*

Special Education

Selecting
Assessments

For each English language learner who receives special education services, the student's ARD committee in conjunction with the student's LPAC shall select the appropriate assessments.

The ARD committee shall document the decisions and justifications in the student's individualized education program (IEP).

In rare cases, the ARD committee in conjunction with the LPAC may determine that it is not appropriate for an English learner who receives special education services to participate in the general required English language proficiency assessment [see English Language Proficiency Tests, above] for reasons associated with the student's particular disability. Students with the most significant cognitive disabilities who cannot participate in the general English language proficiency assessment, even with allowable accommodations, shall participate in the alternate English language profi-

ciency assessment to meet federal requirements. The ARD committee shall document the decisions and justifications in the student's IEP, and the LPAC shall document the decisions and justifications in the student's permanent record file. *19 TAC 101.1003(b)*

Instruments

In certain cases, an English learner who receives special education services may, as a result of his or her particular disabling condition, qualify to be administered an alternative assessment instrument based on alternative achievement standards. *19 TAC 101.1005(b)*

An unschooled asylee or refugee who meets these criteria shall be granted an exemption from an administration of an assessment instrument under Education Code 39.023(a), (b), or (l). This exemption will only apply during the school year an unschooled asylee or refugee is first enrolled in a U.S. public school. *19 TAC 101.1005(c)*

Testing
Accommodations

The LPAC in conjunction with the ARD committee shall determine and document any allowable testing accommodations for assessments in accordance with administrative procedures established by TEA. *19 TAC 101.1005(e)*

Unofficial Records

In the event that official education records cannot be released to the parents for the purpose of transfer, the custodian of the records in the sending state shall prepare and furnish to the parent a complete set of unofficial education records containing uniform information as determined by the Interstate Commission. Upon receipt of the unofficial education records, the district shall enroll and appropriately place the student based on the information provided in the unofficial records pending validation by the official records, as quickly as possible.

Official Records

Simultaneous with the enrollment and conditional placement of the student, the district shall request the student's official education record from the sending district. Upon receipt of this request, the sending district will process and furnish the official education records to the district within ten days.

Education Code 162.002 art. IV, §§ A–B

Tuition

A district shall be prohibited from charging tuition to:

1. A transitioning military child placed in the care of a non-custodial parent or other person standing *in loco parentis* who lives in a jurisdiction other than that of the custodial parent; or
2. A student who is domiciled in another state and resides in military housing that is located in the district but is exempt from taxation by the district.

Education Code 25.004, 162.002 art. VI, § A

**Grade-Level
Placement**

Students shall be allowed to continue their enrollment at grade level in the district commensurate with their grade level, including kindergarten, from the sending district at the time of transition, regardless of age. A student that has satisfactorily completed the prerequisite grade level shall be eligible for enrollment in the next highest grade level in the district, regardless of age. A student transferring after the start of the school year shall enter the district on his or her validated level from an accredited school in the sending state. *Education Code 162.002 art. IV, § D*

Course Placement

When the student transfers before or during the school year, the district shall initially honor placement of the student in educational courses based on the student's enrollment in the sending district and/or educational assessments conducted at the sending district if the courses are offered. Course placement includes but is not limited to honors, international baccalaureate, advanced placement, vocational, technical, and career pathways courses. Continuing the student's academic program from the previous school and promoting placement in academically and career challenging courses should be paramount when considering placement. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course(s).

**Educational Program
Placement**

The district shall initially honor placement of the student in educational programs based on current educational assessments conducted at the sending district or participation/placement in like programs in the sending state. Such programs include, but are not limited to:

1. Gifted and talented programs; and
2. English as a second language (ESL).

This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student.

Waivers

District administrative officials shall have flexibility in waiving course/program prerequisites, or other preconditions for placement in courses/programs offered in the district.

Education Code 162.002 art. V, §§ A–B, D

**Purple Star
Designation**

PROPOSED REVISIONS

Rationale (A): The overall purpose of this policy is to meet legal requirement that will grant immunity to the district and its employees concerning the administration of medication to students.

No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as authorized by this or other District policy.

Medication Provided by Parent

The Superintendent shall designate the employees who are authorized to administer medication that has been provided by a student's parent. An authorized employee is permitted to administer the following medication in accordance with administrative regulations:0)

1. Prescription medication in accordance with legal requirements.
2. Nonprescription medication, upon a parent's written request, when properly labeled and in the original container.
3. Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program or Section 504 plan for a student with disabilities.

The above items addressed medication provided by the parent, which is required by law.

~~No~~ Medication Provided by District

Epinephrine

The District authorizes school personnel who have agreed in writing and been adequately trained to administer an unassigned epinephrine auto-injector in accordance with law and this policy. Administration of epinephrine shall only be permitted when an authorized and trained individual reasonably believes a person is experiencing anaphylaxis.

On Campus

Authorized and trained individuals may administer an unassigned epinephrine auto-injector at any time to a person experiencing anaphylaxis on a school campus.

The District shall ensure that at each campus a sufficient number of authorized individuals are trained to administer epinephrine so that at least one trained individual is present on campus during all hours the campus is open. In accordance with state rules, the campus shall be considered open for this purpose during regular on-campus school hours and whenever school personnel are physically on site for school-sponsored activities.

WELLNESS AND HEALTH SERVICES
MEDICAL TREATMENT

FFAC
(LOCAL)

Maintenance,
Availability, and
Training

The Superintendent shall develop administrative regulations designating a coordinator to manage policy implementation and addressing annual training of authorized individuals in accordance with law; procedures for auto-injector use; and acquisition or purchase, maintenance, expiration, disposal, and availability of unassigned epinephrine auto-injectors at each campus.

Notice to Parents

In accordance with law, the District shall provide notice to parents regarding the epinephrine program, including notice of any change to or discontinuation of this program.

Rationale (A), (B): During the administrative review, it was mentioned that the district does have unassigned epi-pens. Since this is the practice, the above provision would be required. The law requires a policy if this is the district's practice.

~~The District shall not purchase medication to administer to a student.~~

Psychotropics

Except as permitted by law, an employee shall not:

1. Recommend to a student or a parent that the student use a psychotropic drug;
2. Suggest a particular diagnosis; or
3. Exclude the student from a class or a school-related activity because of the parent's refusal to consent to psychiatric evaluation or examination or treatment of the student.

Rationale (A): The above provisions on psychotropics are required.

Medical Treatment

~~A student's parent, legal guardian, or other person having lawful control shall annually complete and sign a form that provides emergency information and addresses authorization regarding medical treatment. A student who has reached age 18 shall be permitted to complete this form.~~

~~The District shall seek appropriate emergency care for a student as required or deemed necessary.~~

This could be addressed in the student handbook.

Note: For information about mental health curriculum and SHAC responsibilities, see EHAA. For information about threat assessments, see FFB. For personnel information about mental health professionals, see DP.

Mental Health Condition

“Mental health condition” means a persistent or recurrent pattern of thoughts, feelings, or behaviors that:

1. Constitutes a mental illness, disease, or disorder, other than or in addition to epilepsy, substance abuse, or an intellectual disability; or
2. Impairs a person's social, emotional, or educational functioning and increases the risk of developing such a condition.

Education Code 5.001(5-a)

Student Programs

The Texas Education Agency (TEA), in coordination with the Health and Human Services Commission and regional education service centers (ESCs), shall provide and annually update a list of recommended best practice-based programs and research-based practices in the areas specified below for implementation in public elementary, junior high, middle, and high schools within the general education setting. Each district may select from the list a program or programs appropriate for implementation in the district.

Subject Areas

The list must include programs and practices in the following areas:

1. Early mental health prevention and intervention;
2. Building skills related to managing emotions, establishing and maintaining positive relationships, and responsible decision-making;
3. Substance abuse prevention and intervention;
4. Suicide prevention, intervention, and postvention;
5. Grief-informed and trauma-informed practices;
6. Positive school climates;
7. Positive behavior interventions and supports;
8. Positive youth development; and
9. Safe, supportive, and positive school climate.

“School climate” means the quality and character of school life, including interpersonal relationships, teaching and learning practices, and organizational structures, as experienced by students enrolled in the district, parents of those students, and personnel employed by the district.

[For information on employee training, see DMA.]

Practices and
Procedures

A district shall develop practices and procedures concerning each area listed above, including mental health promotion and intervention, substance abuse prevention and intervention, and suicide prevention, that:

1. Include a procedure for providing educational material to all parents and families in the district that contains information on identifying risk factors, accessing resources for treatment or support provided on and off campus, and accessing available student accommodations provided on campus;
2. Include a procedure for providing notice of a recommendation for early mental health or substance abuse intervention regarding a student to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs, which may include declining academic performance, depression, anxiety, isolation, unexplained changes in sleep or eating habits, and destructive behavior toward self and others;
3. Include a procedure for providing notice of a student identified as at risk of attempting suicide to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs;
4. Establish that the district may develop a reporting mechanism and may designate at least one person to act as a liaison officer in the district for the purposes of identifying students in need of early mental health or substance abuse intervention or suicide prevention;
5. Set out available counseling alternatives for a parent or guardian to consider when his or her child is identified as possibly being in need of early mental health or substance abuse intervention or suicide prevention; and
6. Include procedures:
 - a. To support the return of a student to school following hospitalization or residential treatment for a mental health condition or substance abuse; and

- b. For suicide prevention, intervention, and postvention.

The practices and procedures may address multiple subject areas [see Subject Areas, above]. The practices and procedures must prohibit the use without the prior consent of a student's parent or guardian of a medical screening of the student as part of the process of identifying whether the student is possibly in need of early mental health or substance abuse intervention or suicide prevention.

The practices and procedures developed must be included in the annual student handbook and the district improvement plan under Education Code 11.252. [See BQ]

Nothing in these provisions is intended to interfere with the rights of parents or guardians and the decision-making regarding the best interest of the child. Practices and procedures developed in accordance with these provisions are intended to notify a parent or guardian of a need for mental health or substance abuse intervention so that a parent or guardian may take appropriate action. These provisions do not give districts the authority to prescribe medications. Any and all medical decisions are to be made by a parent or guardian of a student.

"Postvention" includes activities that promote healing necessary to reduce the risk of suicide by a person affected by the suicide of another.

Education Code 38.351(a)–(f), (i)–(o)

Immunity

The above requirements do not waive any immunity from liability of a district or of district officers or employees, create any liability for a cause of action against a district or against district officers or employees, or waive any immunity from liability under Civil Practice and Remedies Code 74.151. *Education Code 38.352*

Consent to Examinations, Tests, or Treatment

A district employee must obtain the written consent of a child's parent before the employee may conduct a psychological examination, test, or treatment, unless the examination, test, or treatment is required by:

1. TEA's policy concerning child abuse investigations and reports under Education Code 38.004; or
2. State or federal law regarding requirements for special education.

Education Code 26.009(a)(1) [See FNG]

[For more information about consent to medical treatment, including psychological treatment, see FFAC. For information about consent to counseling, see FFEA.]

Professional's Authority

A licensed or certified physician, psychologist, counselor, or social worker having reasonable grounds to believe that a child has been sexually, physically, or emotionally abused; is contemplating suicide; or is involved in chemical or drug addiction or dependency may:

1. Counsel the child without the consent of the child's parents, managing conservator, or guardian;
2. With or without the consent of a child who is a client, advise the parents, managing conservator, or guardian of the treatment given to or needed by the child;
3. Rely on the written statement of the child containing the grounds on which the child has capacity to consent to his or her own treatment as provided above.

Exception: Court Order

The physician, psychologist, counselor, or social worker may not counsel a child if consent is prohibited by a court order, unless consent is obtained as otherwise allowed by law.

Family Code 32.004(b), (c)

[See DP for more information about LSSP and school counselor responsibilities.]

Consent to LSSP

Informed consent for a licensed specialist in school psychology (LSSP) must be obtained in accordance with the Individuals with Disabilities Education Improvement Act (IDEIA) and the U.S. Department of Education's rules governing parental consent when delivering school psychological services in the public schools, and is considered to meet the requirements for informed consent under the Texas State Board of Examiners of Psychologists (TSBEP) rules. No additional informed consent, specific to any Texas Behavioral Health Executive Council (TBHEC) rules, is necessary in this context. Licensees providing psychological services under 22 Administrative Code 465.38(e)(2), however, must obtain informed consent as otherwise required by the TBHEC rules. 22 TAC 465.38(g)

Professional Immunity

A psychologist, counselor, or social worker licensed or certified by the state is not liable for damages except those damages that may result from his or her negligence or willful misconduct. *Family Code 32.004(d)*

Outside Counselors

Neither a district nor an employee of a district may refer a student to an outside counselor for care or treatment of a chemical dependency or an emotional or psychological condition unless the district does all of the following:

1. Obtains prior written consent for the referral from the student's parent, managing conservator, or guardian.
2. Discloses to the student's parent, managing conservator, or guardian any relationship between the district and the outside counselor.
3. Informs the student and the student's parent, managing conservator, or guardian of any alternative public or private source of care or treatment reasonably available in the area.
4. Requires the approval of appropriate district personnel before a student may be referred for care or treatment or before a referral is suggested as being warranted.
5. Specifically prohibits any disclosure of a student record that violates state or federal law.

Education Code 38.010

[See FFEA for information on the comprehensive guidance program. See FFB for mental health-care services provided by the threat assessment and safe and supportive school team.]

**Psychotropics and
Psychiatric
Evaluations**

A district employee may not:

1. Recommend that a student use a psychotropic drug; or
2. Suggest any particular diagnosis; or
3. Use the refusal by a parent to consent to administration of a psychotropic drug to a student or to a psychiatric evaluation or examination of a student as grounds, by itself, for prohibiting the child from attending a class or participating in a school-related activity.

Psychotropic drug means a substance that is used in the diagnosis, treatment, or prevention of a disease or as a component of a medication and intended to have an altering effect on perception, emotion, or behavior.

Education Code 38.016(b) does not:

1. Prevent an appropriate referral under the Child Find system required under 20 U.S.C. Section 1412, as amended; or

2. Prohibit a school district employee, or an employee of an entity with which the district contracts, who is a registered nurse, advanced nurse practitioner, physician, or nonphysician mental health professional licensed or certified to practice in this state from recommending that a child be evaluated by a physician or nonphysician mental health professional; or
3. Prohibit a school employee from discussing any aspect of a child's behavior or academic progress with the child's parent or another school district employee.

A board shall adopt a policy to ensure implementation and enforcement of Education Code 38.016. [See FFAC]

A violation of Education Code 38.016(b) does not override the immunity from personal liability granted in Education Code 22.0511 or other law or a district's sovereign or governmental immunity.

Nonphysician mental health professional has the meaning assigned by Education Code 38.0101 [see DP].

Education Code 38.016

[For information regarding administration of medication, see FFAC.]

An employee may not use or threaten to use the refusal of a parent, guardian, or managing or possessory conservator to administer or consent to the administration of a psychotropic drug to a child, or to consent to any other psychiatric or psychological testing or treatment of the child, as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

1. Include a definition of dating violence that includes the intentional use of physical, sexual, verbal, or emotional abuse by a person to harm, threaten, intimidate, or control another person in a dating relationship, as defined by Family Code 71.0021; and
2. Address safety planning, enforcement of protective orders, school-based alternatives to protective orders, training for teachers and administrators, counseling for affected students, and awareness education for students and parents.

Note: References to Title IX, part, or subpart in the following legal provisions refer to Title IX and its corresponding regulations.

Sexual Harassment

A district may develop and implement a sexual harassment policy to be included in the district improvement plan. *Education Code 37.083 [See BQ]*

Sexual abuse of a student by an employee, when there is a connection between the physical sexual activity and the employee's duties and obligations as a district employee, violates a student's constitutional right to bodily integrity. Sexual abuse may include fondling, sexual assault, or sexual intercourse. *U.S. Const. Amend. 14; Doe v. Taylor Indep. Sch. Dist., 15 F.3d 443 (5th Cir. 1994)*

A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX. *34 C.F.R. 106.45; 20 U.S.C. 1681 [See also FB regarding Title IX]*

Designation of
Title IX Coordinator

A district must designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under Title IX, which employee must be referred to as the "Title IX Coordinator."

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LEGAL)

Parties Entitled to Notice The district must notify applicants for admission and employment, students, parents or legal guardians, employees, and all professional organizations holding professional agreements with the district ("Parties Entitled to Notice") of the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator.

34 C.F.R. 106.8(a)

Reporting Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during nonbusiness hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

Notification of Policy A district must notify the Parties Entitled to Notice, above, that the district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner. The notification must state that the requirement not to discriminate in the education program or activity extends to employment, and that inquiries about the application of Title IX to such district may be referred to the district's Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both.

34 C.F.R. 106.2(d), .8(b)(1)

Publication Requirements A district must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described at Notification of Policy, above, on its website, if any, and in each handbook that it makes available to the Parties Entitled to Notice, above.

A district must not use or distribute a publication stating that the district treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX.

34 C.F.R. 106.8(b)(2)

Note: To distinguish the process described below from the District’s general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District’s “Title IX formal complaint process.”

Complaint
Procedures

A district must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a Title IX formal complaint process that complies with 34 C.F.R. 106.45 for formal complaints as defined below.

A district must provide notice to the Parties Entitled to Notice, above, of the district’s procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the district will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)–(d)

Response to Sexual
Harassment
Definitions

“Actual knowledge” means notice of sexual harassment or allegations of sexual harassment to a district’s Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the district with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the district. “Notice” as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

“Complainant” means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Consent” is not defined by the Title IX regulations, nor do the regulations require districts to adopt a particular definition of consent with respect to sexual assault.

“Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment

against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity; or
3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

“Supportive measures” means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines

or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

34 C.F.R. 106.2, .30(a)

*Deliberate
Indifference*

A district with actual knowledge of sexual harassment in an education program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

*Education
Program or
Activity*

For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

34 C.F.R. 106.44(a)

*Title IX Coordinator
Response*

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. *34 C.F.R. 106.44(b)(1)*

*Supportive
Measures
Required*

A district’s response must treat complainants and respondents equitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below] before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. [For Emergency Removal procedures, see below.]

*Constitutional
Restrictions*

The Department of Education may not deem a district to have satisfied the district’s duty to not be deliberately indifferent under Title

IX based on the district's restriction of rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment.

34 C.F.R. 106.44(a)

*Response to a
Formal Complaint*

In response to a formal complaint, a district must follow a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below]. *34 C.F.R. 106.44(b)(1)*

*Emergency
Removal*

The Title IX regulations do not preclude a district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district:

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

34 C.F.R. 106.44(c)

*Administrative
Leave*

The Title IX regulations do not preclude a district from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. *34 C.F.R. 106.44(d)*

Process for Title IX
Formal Complaint

For the purpose of addressing formal complaints of sexual harassment, a district's process must comply with the following requirements. Any provisions, rules, or practices other than those required by this provision that a district adopts as part of its process for handling formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*

A district's Title IX formal complaint process must:

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures

against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;

2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by a district as a Title IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;
4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably

prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;

6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility;
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;
8. Include the procedures and permissible bases for the complainant and respondent to appeal;
9. Describe the range of supportive measures available to complainants and respondents; and
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1)

*Notice of
Allegations*

Upon receipt of a formal complaint, a district must provide the following written notice to the parties who are known:

1. Notice of the district's Title IX formal complaint process, including any informal resolution process.
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;

- b. The conduct allegedly constituting sexual harassment; and
- c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

*Dismissal of a
Formal Complaint*

The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

*Consolidation of
Formal
Complaints*

A district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this provision to the singular “party,” “complainant,” or “respondent” include the plural, as applicable.

34 C.F.R. 106.45(b)(3)–(4)

*Investigation of a
Formal Complaint*

When investigating a formal complaint and throughout the Title IX formal complaint process, a district must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party’s voluntary, written consent to do so for a Title IX formal complaint (if a party is not an “eligible student,” as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, written consent of a “parent,” as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];
2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, the district may establish restrictions regarding

the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings

The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior

sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. *34 C.F.R. 106.45(b)(6)(ii)*

*Determination
Regarding
Responsibility*

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the district must apply the standard of evidence described at Process for Title IX Formal Complaint, above.

The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district's code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
6. The district's procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

*Implementation
of Remedies*

The Title IX Coordinator is responsible for effective implementation of any remedies. *34 C.F.R. 106.45(b)(7)(iv)*

Appeals

A district must offer both parties an appeal from a determination regarding responsibility, and from a district's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

A district may offer an appeal equally to both parties on additional bases.

As to all appeals, the district must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards in the Title IX regulations regarding conflict of interest and bias [see Process for Formal Title IX Complaint, item 3, above];
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8)

*Informal
Resolution*

A district may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent

with Title IX. Similarly, a district may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

1. Provides to the parties a written notice disclosing:
 - a. The allegations;
 - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint; and
 - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9)

Recordkeeping

A district must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A district must make these training materials publicly available on its website or if the district does not maintain a website the district must make these materials

available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10)

Retaliation
Prohibited

No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohibited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The district must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. Education Records
“Education
Records” Defined

For the purposes of this policy, the term “education records” means those records, files, documents, and other materials that contain information directly related to a student and are maintained by an education agency or institution or by a person acting for such agency or institution.

The term “education records” does not include:

1. Records that are created or received by a district after an individual is no longer a student in attendance and that are not directly related to the individual’s attendance as a student.
