

To Whom It My Concern,

I have had an extremely supportive family who has encouraged me as a high school coach. We have moved to several towns along the way that have offered many different coaching opportunities. But as I have gotten older, my priorities have changed, and I see things in a different light. I will be stepping away from coaching at the high school level in order to pursue other opportunities.

I have accepted a position in Bossier Parish that will allow me to spend more time with my family.

I am resigning from Waskom ISD effective August 19, 2011, at 3:30 for family/personal reasons to pursue this opportunity. I would like to take this time to thank all of Waskom ISD, the student-athletes, and parents for making this a positive experience in my life.

Thanks,
