

BEMIDJI AREA SCHOOLS
BEMIDJI, MINNESOTA

DATE: FEBRUARY 23, 2015
TO: BOARD OF EDUCATION
FROM: KATHY PALM, DIRECTOR OF CURRICULUM & ADMIN. SERVICES
SUBJECT: REQUEST TO SUBMIT GRANT APPLICATION

COMMENTS:

Type of Grant:	Foundation
Title of Grant:	MSHSL Health and Safety Education Grant
Granter:	Minnesota State High School League Foundation
Grant Preparer:	Troy Hendricks, Activities Director
Amount of Grant:	\$4,785
District Responsibility:	Serve as fiscal agent
Purpose:	<p>The purpose of this grant is to purchase three Automated External Defibrillators (AEDs). Our new trainer will carry one with him when attending specific activities outside our school. We will add an AED at our gymnastics building full time. Currently we don't have one at that site. We also currently do not have an n AED at our soccer complex. We would keep one at that building which is accessible to players and coaches at all times of practice and games. The summer programs for kids will have the same access to these AEDs. This will provide great comfort and safety to our staff and students, knowing an AED is present at all practice and game sites.</p>
