Supports for DAEP students

- Students receive work and instruction from their campus core academic teachers while at DAEP.
- Mentoring, Character Education lessons, and transition support for DAEP students
- Tiered Behavior System
- Ongoing campus check-ins with students in DAEP
- Regular communication between DAEP, campuses, and Administration

Student Discipline

For all Students:

- District-wide implementation of CHAMPS (4th Year)
- District-wide implementation of Leader In Me (2nd year)
- District-wide Character Education & SEL program
- Substance Abuse Education for Middle School students through 7th Grade Health; for High School students through Lifetime Nutrition & Wellness
- Enriching Panther Families family engagement nights
 - Mission Waco, Dr. George Harrison, Ahmad Washington
- Positive Behavior incentives (varies campus to campus)
- Catapult WeTip anonymous reporting system, human monitoring (BARK), online bullying reporting
- Vape Sensors in restrooms and locker rooms at all secondary campuses
- Texas School Safety Center - Threats Are No Joke

Student Discipline

Targeted Support

- Coordinator of MTSS, Dr. Robin Wilson
- Refined processes and better understanding of working with students with behavioral needs across the district
- A decrease in the percentage of students receiving Tier 2 and Tier 3 targeted behavior support across the district
- Behavior Coach or Behavioral Intervention paraprofessional at the majority of MISD campuses
- Tiered RTI Behavior Interventions through the MTSS Handbook
- Partnership with local universities to utilize social work and LPC interns to assist students in meeting Social Emotional needs
- Partnership with mentoring and counseling entities to offer additional support to support students and families, including; local churches, Communities in Schools, KLARAS, TCHATT, Starry Counseling, National Alliance, Voices Against Substance Abuse (VASA), Unbound, and Methodist Home
- Substance Use Treatment Counseling for Students who failed Extra-Curricular participation drug tests
