

Dear School Board #363 and Mr. Tammi

This letter is to inform you that this will be my last year as the Indus Principal. I would like to thank you for the opportunity to be the Indus Principal for the last 6 years. WE have an amazing staff who loves their students.

I hope I brought some hope and positive guidance to our little school on the River. Again, Thank you and I wish the best to our school board, administration, staff, and students in #363.

Respectfully yours and God Bless you all!
